RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*,  
Dockets UE-090704 and UG-090705 (*consolidated*)

TO ALL PARTIES:

The Commission entered its Order 11, *Rejecting Tariff Sheets; Authorizing and Requiring Compliance Filing* in this docket on April 2, 2010. The order, among other things, rejected a tariff proposal by Puget Sound Energy, Inc. (“PSE”), but authorized and required the Company to file tariff sheets consistent with terms of Order 11. The order also authorized the Commission’s Secretary to approve the authorized filing by letter if it complied with the terms of the order.

On April 14, 2010, PSE filed electric tariff sheets which restate the tariffs filed April 2, 2010. The purpose of this filing is to remove the Tenaska amortization amount that was included in base rates until May 1, 2010, and also shown on tariff sheets as being removed on May 1, 2010. The Tenaska amortization amount is being recovered, beginning on May 1, 2010, through Schedule 133, Regulatory Asset Tracker. The affected tariff sheets are listed below in Attachment 1. The Commission has examined the filing and it appears to comply with the terms of the order.

Therefore, pursuant to terms of the Commission’s Order 11 in this proceeding, the tariff sheets indicated on the attachments to this letter will become effective as filed with an effective date of May 1, 2010.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
