

**Special Promotion Amendment for Available Inventory Collocation Sites
to the Interconnection Agreement between
Qwest Corporation and Northwest Telephone, Inc.
for the State of Washington**

This Agreement between Qwest Corporation ("Qwest") and Northwest Telephone, Inc. ("CLEC") provides for limited time, promotional rates for Available Inventory Collocations on Available Inventory Sites, which are identified at <http://www.qwest.com/cgi-bin/wholesale/collocation.cgi>. The Parties acknowledge that they have previously entered into an Interconnection Agreement in the applicable state.

Limited Time Offer. The promotional rates provided for herein apply only to Available Inventory applications received between April 1, 2004 and June 30, 2004. The collocation applications must be submitted through the normal channel via rfsmet@qwest.com.

Requirement for Collocation Available Inventory Amendment. To receive the promotional rates, CLEC must execute and submit this Agreement to Qwest, and CLEC must either: (1) have previously executed and submitted to Qwest the Collocation Available Inventory Amendment; or (2) execute and submit the Collocation Available Inventory Amendment concurrent with the submission of this executed Agreement.

Promotional Rates. The Special Promotional Rates under this Agreement are as follows:

"Standard Sites" and "Special Sites" Non Recurring Charge ("NRC") discounts for Available Inventory sites will be increased from 50% to 75% for applications received during the timeframe identified above.

Expiration. The Promotional Rates for Available Inventory requests will sunset or expire on June 30, 2004. Should Qwest choose to offer a similar promotion in the future, Qwest reserves the right to modify or change the rates, terms, and conditions.

Existing Interconnection Agreement. Apart from the rates, terms, and conditions of this Agreement (all of which expire on June 30, 2004), all other rates, terms, and conditions for collocation are contained in the Parties' Interconnection Agreement as amended (including, without limitation, the Collocation Available Inventory Amendment).

Effective Date. This Amendment shall be deemed effective upon approval by the Commission; however, the Parties may agree to implement the provisions of this Amendment upon execution. To accommodate this need, CLEC must generate, if necessary, an updated Customer Questionnaire. In addition to the Questionnaire, all system updates will need to be completed by Qwest. CLEC will be notified when all system changes have been made. Actual order processing may begin once these requirements have been met. Additionally, Qwest shall implement any necessary billing changes within two (2) billing cycles after the latest execution date of this Amendment, with a true-up back to the latest execution date of this Amendment by the end of the second billing cycle. The Parties agree that so long as Qwest implements the billing changes and the true-up as set forth above, the CLEC's bills shall be deemed accurate and adjusted without error.

This Agreement is subject to the approval of an applicable state commission. The Parties agree, however, to implement the provisions of this Agreement upon execution.

Entire Agreement. This Agreement (including the Interconnection Agreement as amended, which was incorporated by reference) constitutes the full and entire understanding and agreement between the parties with regard to the subjects of this Agreement.
