Re: **Advice No. 378 and Ref. Docket No. UT-021473, filed on December 12, 2008**

Dear Ms. Russell:

It has been brought to my attention that Verizon filed a copy of an amendment to an affiliate agreement, Amendment No. 15 to the Sales and Marketing Agreement dated November 18, 2008 (the "Amendment"), which contained an error which misstated the amendment number (Amendment 14) on the signature page. The error was clerical, and the signature page should have referenced Amendment 15.

We apologize for any confusion. Please do not hesitate to let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Dalene Florez".
