RE: Interconnection Agreement Amendment between Frontier Communications Northwest Inc. and Comcast Phone of Washington, LLC, Docket No. UT-023067

Dear Ms. Weaver:

On June 19, 2012, Frontier Communications Northwest Inc. and Comcast Phone of Washington, LLC (Comcast) filed with the Washington Utilities and Transportation Commission (Commission) a request for approval of an interconnection agreement amendment. The amendment is a delegated item scheduled for approval by September 16, 2012.

WAC 480-07-640 requires interconnection agreement amendments be submitted for approval within 30 days after they are signed. The last signature appearing on the interconnection agreement amendment is dated April, 11, 2012; therefore, the interconnection agreement amendment was filed 39 days late. The Commission reserves the right to investigate and, if appropriate, commence a separate proceeding to complain, enforce, and penalize Comcast for failure to meet the filing requirements.

For further information, or if you have any questions, please contact Kristen Russell at krussell@utc.wa.gov or (360) 664-1281.

Sincerely,

DAVID W. DANNER
