Dear Ms Washburn:

Please note that GENIE SERVICE COMPANY, Inc. received a satisfactory rating during the most recent review by WUTC staff. Also note that after more than ten years of operations in the state of Washington, Genie has accumulated an unblemished safety record.

Due to operations demands of my small family owned and operated business, I, Dan Carter failed to respond to the WUTC memorandum in a timely fashion with circumstances that challenge the WUTC staff findings of violations. In the interest of saving time and effort on the part of both parties, I agree to submit the penalty assessment in the amount of \$1200. However, I respectfully request that this amount be paid in three equal monthly payments of \$400 each.

Thanks for your assistance in this matter.

Sincerely,

Dan Carter
