RE: Docket Numbers, TR110159 North 2nd St. US DOT # 096525J
TR110160 North 5th St. US DOT#096635U
TR110161 North 10th St. US DOT# 096638P
TR110162 North 17th St. US DOT#096641X

I am requesting a 60 day extension on the referenced docket numbers as I would like more time to negotiate a settlement with the City of Elma and the County of Grays Harbor concerning Puget Sound and Pacific Railroad grade crossing petitions.

I have recently had a meeting with a representative for the City of Elma and feel we are making some progress towards a settlement which will improve the safety of the public.

If anyone objects to my request to provide a 60 day extension, then I will expect to hear from the UTC legal group with a date for the pre hearing conference.

Thank you for your considerations,

Sincerely,
