I. BACKGROUND

- 1 On July 24, 2012, the Washington Utilities and Transportation Commission
(Commission) assessed a penalty of \$2,100 against T&S Transportation & Installation,
Inc. (T&S Transportation or Company), for violations of Washington Administrative
Code (WAC) 480-15-480. This rule requires household goods carriers to file annual
reports with the Commission by May 1 each year.

- 2 On August 3, 2012, T&S Transportation filed a Commission form requesting mitigation
of the assessed penalty.

- 3 The Commission acknowledged the medical challenges faced by the principal of T&S
Transportation, and granted the Mitigation Request in part by suspending one half of the
penalty subject to the condition that T&S Transportation files its 2012 annual report by
May 1, 2013. If the Company fails to timely file its 2012 annual report, the suspended
penalty will become due immediately without further action by the Commission.

- 4 On September 11, 2012, T&S Transportation filed a letter requesting review of Delegated
Order 01, in Docket TV-120947, Mitigating Penalty Assessment.

- 5 On September 27, 2012, after review and due consideration, the Commission found that
the suspended penalty shall remain \$1,050 subject to the condition that T & S
Transportation files its 2012 annual report by May 1, 2013.

II. AGREEMENT

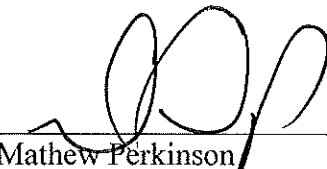

- 6 On October 10, 2012, T&S Transportation submitted a payment of \$250, leaving a remaining balance of \$800. At that time, T&S Transportation requested payment arrangements.
- 7 On October 12, 2012, Commission Staff contacted T&S Transportation and discussed a payment plan on the remaining balance of \$800. T&S Transportation and Commission Staff agreed to the following:
- (1) The first payment of \$250 is due no later than November 15, 2012.
 - (2) The second payment of \$250 is due no later than December 15, 2012.
 - (3) The third payment of \$300 is due no later than January 15, 2013.

III. CONCLUSION

- 8 The parties move to modify Order 02, in Docket TV-120947 and incorporate the payment arrangement listed above.
