AND

NOTICE REQUIRING STAFF RESPONSE
(By Tuesday, March 1, 2016, at 5:00 p.m.)

RE: *In the Matter of the Investigation of Sani Mahama Maurou d/b/a SeaTac Airport 24
for Compliance with WAC 480-30-221*
Docket TC-152296

TO ALL PARTIES:

On February 9, 2016, the Washington Utilities and Transportation Commission (Commission) issued a Notice of Intent to Cancel Certificate as an Auto Transportation Carrier and Notice of Brief Adjudicative Proceeding; Setting Time for Oral Statements In the Matter of the Investigation of Sani Mahama Maurou d/b/a SeaTac Airport 24 (SeaTac Airport 24 or Company) For Compliance with WAC 480-30-221. The Notice set the Brief Adjudicative Proceeding (BAP) for March 1, 2016, at 9:30 a.m. and requires SeaTac Airport 24 to submit a proposed safety management plan no later than 5:00 p.m. on Friday, February 26, 2016. The Notice states that if the Company fails to obtain Commission approval of its safety management plan by March 7, the Commission will cancel its auto transportation certificate effective March 8.

On February 10, 2016, Commission staff (Staff) filed with the Commission a Motion for Continuance of Brief Adjudicative Proceeding. Staff requests the Commission find good cause to reschedule the BAP for March 7 or March 8, 2016, at 9:30 a.m. because Staff's witnesses must attend mandatory training on March 1, and are therefore unavailable on that date. Staff asserts that granting a continuance will not prejudice any party or the Commission, but would benefit the Commission by enabling Staff to present testimony through its investigators who have first-hand knowledge of this case.

DOCKET TC-152296

The Commission finds good cause to reschedule the brief adjudicative proceeding to March 7, 2016, at 9:30 a.m. to allow Staff to present witness testimony, which will assist the Commission in making its decision. Given the time constraint presented by the March 7 deadline for approving the Company's safety management plan, Staff must file its response to the Company's proposed safety management plan no later than 5:00 p.m. on Tuesday, March 1, 2016.

THE COMMISSION GIVES NOTICE That the brief adjudicative proceeding in Docket TC-152296 is rescheduled to Monday, March 7, 2016, beginning at 9:30 a.m., in Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.

THE COMMISSION GIVES FURTHER NOTICE That Commission staff must file its response to Sani Mahama Maurou d/b/a SeaTac Airport 24's proposed safety management plan by 5:00 p.m. on Tuesday, March 1, 2016.
