MR. SHAFER: There's an error. Tara is an employee of the company. The corporate parent is Transit Systems Inc.

JUDGE PEARSON: And I'm sorry, if the gentleman on the bridge line can please identify himself again.

MR. PIENKOWSKI: Yes. Chris, I will spell my last name, Pienkowski. P as in Paul, i-e-n-k-o-w-s-k-i, I'm calling for Moves for Seniors. I'm the managing director.

JUDGE PEARSON: Okay. Great. Thank you. Next is Docket TV-170812, James Moseley, d/b/a You Got It Movers.

MR. MOSELEY: Here, Your Honor.

JUDGE PEARSON: Okay. And finally is Docket

MR. THEIS: Here. Theis.

JUDGE PEARSON: Theis?

MR. THEIS: Theis.

JUDGE PEARSON: Theis, okay. Thank you.
Okay. So there's just one company who did

not enter an appearance today and that company is

Page 7

Page 8

classification hearing to show why you don't need a permit, and if you choose that option, you are contesting allegations in the complaint and claim not to be conducting household goods moving services. If you choose that option, we will schedule a hearing for a date in the near future with the deadline about a week in advance for both the company and Commission Staff to declare witnesses and file all exhibits.

So I will call each of you individually in just a moment to hear from you. Ms. Rachel Jones, who is seated over here to my right, is representing the Commission this morning, and if you have not already met her, she is a Commission compliance investigator.

So now that we have gone over the general options for each of your companies, I will explain the rest of today's procedures. So in a few minutes, I'll call each of you forward and at that time, I will swear you in so anything you tell the Court will be under oath and is considered sworn testimony. Once you're sworn in, I'll ask if you understand your options for today's hearing and then ask you to state your preference. And if there's anything else you want to explain to me, you can do so at that time.

So with each of the complaints, Commission Staff has not only alleged that you're providing

Page 6

subject to being held in default and having an order entered against them, and I will take that case up later this morning.

Did you have something you wanted to say? MS. JONES: No.

JUDGE PEARSON: Okay. So each of you are here because the Commission filed a complaint alleging that your company is either performing or advertising to perform work as a household goods carrier without the required permit. And the purpose of today's proceeding is to formally explain what your choices are and then hear from each of you regarding which option that you wish to pursue.

You can choose one of two options on behalf of your company. You can either agree to cease and desist providing, offering, and advertising unpermitted household goods services, and if you choose that option, then you will need to demonstrate what you've done to either shut down your business completely or partially to avoid further enforcement action by the Commission. So Staff is going to want to see proof that you are no longer performing unlawful services, for example, that you've changed the language on your website or other online advertisements for your business.

The second option is to ask for a

household goods moving services without a permit, they are also seeking to have a penalty imposed. The law sets the maximum penalty for each violation at \$5,000, and Staff will be making a penalty recommendation as part of any agreed order. Ms. Jones will explain that recommendation, but the Commission will make the final decision about the amount of penalty to be imposed.

If you choose to testify about how you are getting out of the household goods business, I will allow you to make a statement explaining how you plan to do that, and depending on what proof you can provide, you should be able to reach an agreed order resolving this matter with Staff, and you can speak to Ms. Jones about that during the recess.

If you choose to contest the allegations in the complaint, we will schedule another hearing, as I explained earlier, for the Commission to present evidence to prove its case. And if we are going to set a hearing, it will help if you know your schedule for the next month or two.

After I hear from each of your companies, we will take a break, which will provide Staff time to meet with each of you and prepare a final disposition for your case.

So, Ms. Jones, why don't I go ahead and

	Page 9		Page 11
1		1	file a motion and show cause as to why it would need to
2	swear you in at this point.	2	be moved. So if you're not certain, I would recommend
