RE: Commission Staff's Letter Confirming Compliance  
DG-180104 – North Sky Communications, LLC. – UBI: 601-973-572 – Investigation  
#7674

Dear Mr. Johnson:

Commission staff has reviewed the compliance order for North Sky Communications, LLC (Company), dated February 6, 2018. Compliance with the order required the following items be met:

- \$1,000 penalty for one violation of RCW 19.122.030(2); and
- The opportunity to suspend \$800 of the \$1,000 penalty if the North Sky regional manager, superintendent, director of safety, and the employee involved in the violation complete National Utility Contractor Association (NUCA) Dig Safe Training within 90 days of the issuance of a penalty assessment by the Commission.

On February 28, 2018, the Company made a payment of \$200 and notified the Commission that it accepted the conditions to suspend \$800 of the penalty amount. On September 27, 2018, the Commission reinstated the \$800 suspended penalty in Order 01 after the Company failed to submit proof of completion of NUCA Dig Safe Training. On December 21, 2018, the Company submitted payment of the remaining \$800 penalty amount imposed by Order 01.

Staff believes that the Company has fully complied with the Commission's order, and recommend this docket be closed.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sean C. Mayo".
