Re: *In re Cascade Natural Gas Corporation's 2019 Annual Conservation Plan,*
Docket UG-180990

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 04 Final Order Approving Settlement Agreement (Order 04) in Docket UG-152286 on July 7, 2016. Order 04, among other things, required Cascade Natural Gas Corporation (Cascade) to meet 100 percent of its conservation target, file an annual conservation plan by December 1 of each year, and file an annual conservation achievement report by June 1 of each year.

On November 30, 2018, Cascade filed its 2019 Washington Conservation Plan, and on May 29, 2020, Cascade filed its 2019 Annual Conservation Achievement Report (report).

On August 3, 2020, Commission staff (Staff) filed a letter stating that Staff had reviewed the report and believes that it meets the requirements of Order 04.

The Commission has reviewed the report filed on May 29, 2020, and finds that it complies with the terms of Order 04.
