If the annual report is not provided within thirty (30) days of the anniversary date of the installation of the Approved Backflow Prevention Assembly, then the Utility will provide a notice of disconnection pursuant to WAC's for discontinuing of service for water utilities. If a copy of the annual report is not received by the date for disconnection as specified in the notice, the Utility will disconnect customer's service as specified in Rule 17 of this tariff.

If service is disconnected, the Utility will charge the customer its current Reconnection Visit Charge as specified in Rule 6 of this tariff.

In the event that a customer initiates a credit or debit card transaction that is disallowed by the issuing entity or bank, a credit card chargeback fee will be charged to the customer's account as specified in **Schedule A**.

There is also the option to pay online or through an autopay feature. If either of these options are selected by the Customer, an online/auto pay fee as specified on **Schedule A** will apply.
