15	So just trying to be doing the right thing.	15	
16	Not like I am trying to just do the obvious, do the	16	
17	business on no, that's my plan. I mean, I don't have	17	
18	the the resources to be to be have like hired	18

20	be out in the field at the job and also be at the house	20	
21	and do the paperwork.	21	
22	The more business is growing, I will	22	
23	definitely probably have someone that can help so that	23	
24	way things can be supposed to be. But as far as now,	24	
25	it's only one guy's in a truck, trying to make a living	25
