RE: Notice of Intent to Send to Collections, Penalty Assessment TV-190834

Dear Sir or Madam:

As you are aware, on November 13, 2019, the Washington Utilities and Transportation Commission issued Order 02 classifying Aurora Painting & Pressure Washing as a household goods carrier and ordering Aurora Painting & Pressure Washing to cease and desist operations in the state of Washington. A penalty was assessed in the amount of \$5,000, which was due and payable immediately. The Commission sent you a Final Notice dated January 3, 2020, indicating that the balance of \$5,000 was due.

To date, the Commission has not received payment of the balance due.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$5,000 balance.

If you have any questions about this letter or about your obligations under Commission rules, you may contact Brooke Tschida at (360) 664-1349.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
