3 no record of the company.

On May 1st, 2019, I sent a letter to Sean

5 Smith stating that I believed that the company was in

6 violation of Commission rules by operating as a solid

waste carrier without the required certificate. Sean

8 Smith was required to respond by May 15th, 2019, by

9 either submitting a completed application for solid

0 waste certificate or by explaining why, in writing, that

11 he should not -- does not require a solid waste

12 certificate.

24

On May 3rd, 2019, I received two separate

14 emails from Sean Smith. The first email received was at

15 12:48 p.m. explaining that the company started doing

16 trash loads as a source of income. Sean Smith stated

17 that the company would be willing to complete an

18 application for certificate. Sean Smith requested an

19 application -- the application information to be sent to

20 him again. The second email from the company was

21 received at 1:06 p.m. In that email, Sean Smith stated

22 that the advertisements were created for a friend, but

23 she did not -- but she did the business herself.

25 Mr. -- to Sean Smith requesting a solid waste -- I

- 4 to apply. The email also informed Sean Smith that the
- 5 company could not perform solid waste services without a
- 6 certificate from the Commission and noted a recent
- 7 advertisement for moving services by Sean Smith. I
- 8 informed the company that household goods moving also
- 9 requires a permit from the Commission.

10 On May 7th, 2019, at 12:37 p.m., Sean Smith

11 sent a response email stating that company was

12 advertising for another friend's company for moving and

13 that the company does not provide moving services. The

14 email stated that the company would stop dumping waste

 $\,$ 15 $\,$ and had deleted all of its posts from Facebook. In the

16 email, Sean Smith stated that the company would not

17 continue until it could apply for and receive a

18 certificate. Sean Smith sent a second email at 12:47

19 p.m. saying he would be accepting a job and would no

20 longer be working independently.

On May 7th, 2019, Sean Smith contacted me by

22 phone at 3:34 p.m. He had additional questions

23 regarding the certificate. Sean Smith reiterated that

4 the company had removed all of its Facebook

advertisements and no longer would transport solid

2 On May 23rd, using an assumed name on

3 Facebook Messenger, I messaged Sean Smith regarding a

4 Facebook Marketplace advertisement. Sean Smith and I

5 messaged until we agreed on a price for the company to

Sean Smith was served on October 20th, 2019,

9 JUDGE PEARSON: Okay. Thank you. And for

10 Paul Henrickson, d/b/a Concrete and More?

11 MS. McPHERSON: On May 3rd, 2019 -- I'm

12 sorry, Docket No. TG-190793, Paul Henrickson, d/b/a

13 Concrete and More. On May 3rd, 2019, I found

14 information that Paul Henrickson, d/b/a Concrete and

15 More advertised on Craigslist for solid waste carrier.

On May 3rd, 2019, a search of Washington

17 Department of Revenue records showed that Paul

18 Henrickson had an active business registration under the

19 name Concrete and More. DOR records indicate that

20 Concrete and More's address was 8821 - 20th Street

21 Southeast, Unit A, Lake Stephens, Washington. The same

22 address appeared on advertisements found online at

23 hirerush.com.

On May 3rd, 2019, a company business phone

25 was listed as 425-686-5270, which matched his business

advertisements on Craigslist.

2 On May 3rd, I reviewed the Commission --

3 2019, I reviewed Commission records to determine if Paul

4 Henrickson, Concrete and More, had authority to operate

5 as a solid waste carrier in the state of Washington. I

6 learned that the Commission had no record of -- of the

7 company.

8 On May 6th, 2019, I sent a letter to

9 Concrete and More at 8821 - 20th Street Southeast, Unit

10 A, Lake Stevens, Washington, stating that I believed his

11 business was in violation of Commission rules by

12 operating as a solid waste carrier without a

13 certificate. The company was required to respond by

14 May 20th, 2019, by either submitting a completed

15 application for a solid waste transportation certificate

16 or by explaining why the company does not require a

17 solid waste certificate.

18 May 27th, 2019, I received returned mail

19 from the company. I know that the envelope stated

20 return to sender on the advertisement.

July 16th, 2019, I called Concrete and More

22 at 425-686-5270 and spoke with Paul Henrickson. I

23 identified myself and explained that the Commission had

24 sent the company a letter providing technical assistance

25 and that it was returned. I requested a valid address.
