Re: Docket UT - 230020
Washington Universal Service Communications Program
St. John Telephone, Inc.

Dear Ms. Maxwell:

On behalf of St. John Telephone, Inc., accompanying this letter for filing with the Commission is a copy of Form 477 Subscriber Data filings which was filed with the FCC. The summary is the only portion of FCC Form 477 that is available in useable format. This is being filed with the Washington Utilities and Transportation Commission with respect to funds received from the Washington Universal Service Communications Program.

The FCC Form 477 report is filed in .pdf format rather than the native format of .html per directions from commission staff.
