NOTICE EXTENDING CANCELATION DEADLINE

RE: *In the Matter of the Investigation of MARIK MOVERS, LLC For Compliance with WAC 480-14-300, WAC 480-15-560, and WAC 480-15-590, Docket TV-231020*

TO ALL PARTIES:

On December 28, 2023, the Washington Utilities and Transportation (Commission) issued a Notice of Intent to Cancel Permit as a Household Goods Carrier; Notice of Brief Adjudicative Proceeding; Setting Time for Oral Statements (NOIC) against Marsik Movers LLC (Marsik Movers or Company). This NOIC set a Cancellation Deadline of February 13, 2024.

On January 31, 2024, the Commission conducted a Brief Adjudicative Proceeding in this matter. On February 9, 2024, the Company filed a Safety Management Plan with the Commission, which was reviewed by and approved by staff that same day. Later that day a Bench Request was issued for records relating to the calculation of Factor 6.

Upon further review of the records contained in the SMP, the SMP Evaluation, and JS-1 – the presiding officer has determined that there are several material questions which need to be answered prior to a final determination being made in this matter. To accommodate further proceedings and in order to fully develop the record prior to a decision being made, the Commission believes there is good cause to extend the cancellation deadline of the Company. Therefore, pursuant to WAC 480-07-110 (allowing modifications to rules when consistent with the public interest), the cancellation deadline regarding the Company's permit shall be moved.

THE COMMISSION GIVES NOTICE That the Commission moves its intended date of cancellation, for Marsik Movers LLC, identified in paragraph 9 of the NOIC, from February 13, 2024, to February 29, 2024.

DATED at Lacey, Washington, and effective February 12, 2024.
