RE: UG- 231023, Cascade Natural Gas Corporation 2025 Integrated Resource Plan

Dear Director Killip:

Enclosed for filing is confidential data that contains the SCC forecast as well as the CCA allowance forecast. These are treated as confidential as the CCA allowance forecast contains the Company's base allowance cost forecasts that will be used for the Company's long-term IRP. The SCC is considered confidential as it could be used to back into the Company's CCA allowance forecast in the avoided cost model.

If there are any questions regarding this matter, please contact me at (509) 221-9808. Alternatively, I may be reached at [brian.robertson@cngc.com](mailto:brian.robertson@cngc.com) or at [IRP@cngc.com](mailto:IRP@cngc.com).

Sincerely,  
CASCADE NATURAL GAS CORPORATION

A handwritten signature in black ink, appearing to read "Brian Robertson", with a long horizontal flourish extending to the right.

Brian Robertson  
Supervisor, Resource Planning
