Re: Basin Disposal of WA., LLC d/b/a Basin Disposal of Walla Walla - G-165
Disposal Cost Recovery Filing. Please do not re-docket TG-231036.

On behalf of Basin Disposal of WA., LLC d/b/a Basin Disposal of Walla Walla - G-165, I am filing revised tariff pages correcting original rates submitted on 12/15/2023. The initial rates were calculated based on updated rates from filing TG-231065. Per staff request the company has withdrawn that filing; therefore, the rates needed to be recalculated.

Included with this filing is an Excel workbook titled [WAL- DF Rate Calculation Feb2024 (C) - Updated Rates.xlsx]. This workbook has rate calculations, customer counts, price-outs, both current and proposed. The customer counts are from the last General Rate Case TG-230184. Attached are revised tariff pages and supporting documentation containing the revised rates.

Basin Disposal of WA., LLC is filing this as confidential pursuant to WAC 480-07-160.

If there are any questions, please contact me at (509) 544-7709.

Respectfully,
