**NOTICE RESCHEDULING AN ITEM ON THE OPEN MEETING AGENDA
(Set for April 24, 2025, at 9:30 a.m.)**

RE: *In the Matter of the Eastside Improvement Co. Inc. Tariff Revision Request,*
Docket UW-250104.

TO ALL PARTIES:

On February 24, 2025, East Side Improvement Co., Inc. (East Side or Company) filed with the Washington Utilities and Transportation Commission (Commission) tariff revisions that would generate approximately \$79,000 (69.4 percent) to recover an increase in operating costs since 2022, to become effective April 1, 2025. The Company also filed an affiliated interest contract for Commission approval, for the purpose of turning its irrigation system on and off.

On March 19, 2025, the Company revised its filing, withdrawing Original Sheet No. 20 and replacing it with Revised Sheet No. 21 reducing the monthly rate of single connection potable water from \$89.30 to \$69.55 and irrigation/non-potable water from \$95.04 to \$69.55.

On March 27, 2025, this matter was heard at the Commission's Open Meeting, during which the Company agreed to file new tariff pages that would delay the effective date from April 1, 2025, to May 1, 2025. Staff did not object to the delay in effective date.

This matter is continued to the Open Meeting Agenda scheduled for **Thursday, April 24, 2025, at 9:30 a.m.** pursuant to RCW 42.30.100.

THE COMMISSION GIVES NOTICE That the Open Meeting Agenda hearing in this matter is rescheduled to Thursday, April 24, 2025, beginning at 9:30 a.m.
