**SCHEDULE C**  
**MISCELLANEOUS CHARGES**  
(continued)

**DESCRIPTION OF CHARGES:**

**Charge For Duplicate Check.** A charge of \$3.00 per request will be applied to a customer's account for each request of a photocopy of customer's check for utility payment.

**Special Automated Payment Charge.** Following receipt of an urgent shutoff notice, or at other times where customer is unable to come into the Company's office to pay amounts owing to prevent disconnection of service or to facilitate reconnection of service, the Company may, in its sole discretion, make available to customers with valid personal checking accounts, the option to make payment through an automated check payment process. A charge of \$2.50 per check will be assessed for each check processed by the Company for this purpose. The payment of this charge does not relieve customer of any charges resulting from the check being not honored, or from any disconnect or reconnect visit charges that may apply.

**Company Provided Utility Pathway for New Construction (Schedule E).** When the Company constructs the utility pathway for an Applicant for a new construction project in accordance with **SCHEDULE E**, the Company will construct the pathway at the costs specified on Sheet C-1.1 of this Schedule.

**Service Guarantee fee on Company Provided Utility Pathway for New Construction (Schedule E).** Where the Company will provide the utility pathway for the project, if the Company does not meet the scheduled construction date, the Company will pay the Applicant the Service Guarantee fee specified on Sheet C-1.1 of this Schedule.

**Wasted Trip Fee on Applicant Provided Utility Pathway for New Construction (Schedule E).** The wasted trip fee will apply when the Company goes to the site of a new construction project following notice by Applicant that the site is ready, and the site is not ready when the Company arrives, thereby requiring the Company to schedule a return trip.

**Optional – Residential Customer Requested Non-AMR Meter**

A Residential Customer in a single-family dwelling may request that the Company install a non-AMR Meter at that Customer's premise, as set forth in **General Rule 10** of this Tariff. The one-time installation charge will be billed to the Customer on the first monthly bill following the date of installation, and is due and payable on the date stated on such bill. In addition, commencing with the first bill following the date of installation, Customer will be billed the monthly manual meter read charge. This charge shall continue to be billed monthly until the earlier of the Customer's request to remove the Non-AMR meter or the date that the Customer voluntarily closes the account.
