**RE: Docket PG-041624 Puget Sound Energy Settlement Agreement – Wrapped Steel Services Assessment Program Service Installation Histogram**

Dear Mr. Rathbun:

Attached to this letter is a histogram illustrating the number of Wrapped Steel Service Assessment Program services installed by year of installation. This is being provided in accordance with the proposed Second Settlement Agreement to the above referenced docket.

If you have any questions about the information provided, please contact me at (425) 462-3974.

Sincerely,

Duane A. Henderson, P.E.  
Director, Safety and Operations Services
