By copy of this letter, we are providing notice of this intent to the parties of record. To the extent that this notice is not timely for any particular witness, that is because the staff received its copies of the depositions too late to make adequate review any earlier and the power outage delayed production and transmission of this notice. If necessary, these time restrictions constitute grounds for an exception to the notice rule pursuant to WAC 480-09-010, which, if necessary, we would seek orally at the hearing in this matter.

If you have any questions, please contact me.

Very truly yours,

JEFFREY D. GOLTZ
Assistant Attorney General
