Docket TG-072226

Dear Mr. Danner:

This is in response to the Commission's April 7, 2010, Notice of Requirement to File Witness Lists for Hearing on the Proposed Multiparty Settlement Agreement. The Notice further requests a short summary of each witness's expected testimony and area of expertise, as well as copies of supporting or cross-examination exhibits to be offered at hearing.

Commission Staff intends to offer the testimony of Eugene K. Eckhardt, Assistant Director of Solid Waste, Water, and Transportation. Mr. Eckhardt is a policy expert on solid waste regulation. As for a brief summary of Mr. Eckhardt's testimony, I invite your attention to the Narrative Supporting Settlement Agreement. Commission Staff does not intend to offer any additional exhibits.

Sincerely,

JONATHAN C. THOMPSON
