Re: WUTC v. Washington Natural Gas Company, Docket No. UG-920840

Dear Judge Anderl:

Pursuant to WAC 480-09-480(5)(b)(ii), the Northwest Industrial Gas Users (NWIGU) intends to offer the following portions of the deposition of Jerome Sullivan of Washington Natural Gas Company into evidence when he is cross-examined next week or on February 11 or 12, 1993:

Sullivan

P. 1, line 1 through P. 64, line 25
P. 83, line 1 through P. 88, line 25.

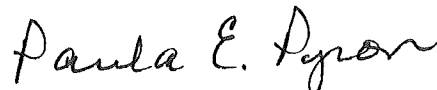

By copy of this letter, we are providing notice of this intent to the parties of record. To the extent that this notice is not timely for Mr. Sullivan (depending on the actual date of his cross-examination), NWIGU requests an exception to the notice rule pursuant to WAC 480-09-010, because of the short time between receipt of this deposition transcript and the cross-examination. If necessary, NWIGU will seek the exception orally at the hearing in this matter.

NWIGU also reserves its rights at the hearing to offer other portions of any other witnesses' depositions offered by another party into evidence under WAC 480-09-480(5)(b)(ii).

If you have any questions, please contact me.

Very truly yours,

Paula E. Pyron

Gas Users
