Re: Docket No. UT-100820 – Supplemental Broadband Information

Dear Mr. Danner:

CenturyLink has been discussing its broadband investment, both actual and planned, with Commission Staff and Public Counsel. After several meetings, CenturyLink has agreed to add certain wire centers to its 2012 Broadband Plan, and to identify those wire centers as firm commitments under the plan, i.e., not subject to changes or reprioritization. Those additional wire centers, and the estimated additional living units to be served, are contained in the Highly Confidential spreadsheet attached. A redacted version is also provided.

The electronic copy is being provided by email.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lisa A. Anderl".
