**NOTICE OF ACCEPTANCE OF LATE FILED
REPLY BRIEFS AND COMMENTS**

RE: Washington Utilities and Transportation Commission v. Advanced Telecom
Group, Inc., et. al.; Docket No. UT-033011

TO ALL PARTIES OF RECORD:

Order No. 04 in this proceeding, Order Granting Motion to Modify Procedural Schedule, the Commission required parties to file all replies to answers to dispositive motions with the Commission by Tuesday, January 6, 2004. Due to inclement weather on Tuesday and Wednesday, January 6 and 7, 2004, some parties were unable to file hard copies of reply briefs and comments with the Commission as required by Order No. 04. The Commission accepts all late filed reply briefs and comments, as there is good cause for the late filing and the late filing of reply briefs and comments prejudices no party.

Sincerely,

ANN E. RENDAHL
Administrative Law Judge
