Re: **Docket UG-061721 Merger Commitments**

Dear Mr. Johnson:

Per Merger Commitment No. 9 of the MDU/Cascade Natural Gas Merger Stipulation approved by the Commission in Docket UM-1283, Order No. 07-320, Cascade Natural Gas Corporation (Cascade) is required to file any changes within the Intercompany Administrative Services Agreement (IASA).

Attached is a copy of an amended IASA agreement that became effective January 1, 2019. This new agreement reflects the fact that there are no longer divisions within the MDU Resources' Utilities Group. All of the utilities, including Cascade, are now subsidiaries of MDU Resources. This change does not impact Cascade. Cascade has been a subsidiary and continues to be. There is also no change to Cascade's reporting structure.

/s/ Michael Parvinen
