Re: UT-090842, Order 08 – Updated Broadband Expansion Status Report

Dear Mr. Danner:

Enclosed are one (1) original, seven (7) copies and one redacted version of Frontier Communications Northwest Inc.'s ("Frontier") updated broadband expansion status filing per Order 08 in Docket No. UT-090842.

As you will see, Frontier is happy to report that it has met or exceeded a majority of the broadband expansion targets as agreed upon during the Verizon/Frontier transaction. Frontier has also already exceeded the download and upload broadband speed goals for end-of-year 2014.

As there remain two wire centers still under development, Frontier will file an amended and updated broadband status report by August 16 per Commission Order 09.

This filing contains Highly Confidential information and is protected under Protective Order in Docket No. UT-090842.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Carl Gipson", with a long horizontal flourish extending to the right.
