BACKGROUND

1 This matter comes before the Washington Utilities and Transportation Commission (Commission) for approval of a negotiated ninth amended agreement (Amended Agreement) under the Telecommunications Act of 1996 (Telecom Act). The Amended Agreement is between TCG Seattle (TCG) and Qwest Corporation f/k/a U S West Communications, Inc., (Qwest). The Commission approved an interconnection agreement between the parties on January 29, 1997, a first amended agreement on December 13, 2000, a second amended agreement on August 22, 2001, a third amended agreement on November 15, 2001, fourth and fifth amended agreements on March 13, 2002, a sixth amended agreement on April 10, 2002, a seventh amended agreement on September 11, 2002, and an eighth amended agreement on July 23, 2003. The Commission ordered that in the event the parties amended their agreement, the amended agreement would be deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval. The parties filed a joint request for approval of a ninth amendment on July 28, 2003.

FINDINGS AND CONCLUSIONS

- 2 (1) The Commission is an agency of the State of Washington vested by statute with the authority to regulate public service companies, including telecommunications companies. *RCW 80.01.040; Chapter 80.04 RCW and Chapter 80.36 RCW.*
- 3 (2) Section 252(e)(1) of the Telecom Act requires parties to a negotiated agreement to submit the agreement to the Commission for approval. Section 252(e)(2)(A) states that the Commission may only reject an agreement (or any portion thereof) adopted by negotiation if it finds that:
- 4 (i) the agreement (or any portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- 5 (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.
- 6 (3) Qwest is engaged in the business of furnishing telecommunications services including, but not limited to, basic local exchange service within the state of Washington.
- 7 (4) TCG is authorized to provide telecommunications services to the public in the state of Washington.
- 8 (5) The Commission approved an interconnection agreement between the parties on January 29, 1997, a first amended agreement on December 13, 2000, a second amended agreement on August 22, 2001, a third amended agreement on November 15, 2001, fourth and fifth amended agreements on March 13, 2002, a sixth amended agreement on April 10, 2002, a seventh amended agreement on September 11, 2002, and an eighth

amended agreement on July 23, 2003. The Commission ordered that in the event the parties amended their agreement, the amended agreement would be deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval.

- 9 (6) On July 28, 2003, the parties filed with the Commission a joint request for approval of an eighth amendment to the previously approved interconnection agreement, pursuant to the Telecom Act.
- 10 (7) The Amended Agreement between TCG and Qwest was brought before the Commission at its regularly scheduled meeting on August 27, 2003.
- 11 (8) TCG and Qwest voluntarily negotiated the entire amendment.
- 12 (9) The Amended Agreement does not discriminate against any other telecommunications carrier.
- 13 (10) The Amended Agreement will facilitate local exchange competition in the state of Washington.
- 14 (11) The Amended Agreement is consistent with the public interest, convenience, and necessity.
- 15 (12) The Amended Agreement meets the requirements of Sections 251 and 252 of the Telecom Act, including Section 252(e).
- 16 (13) The laws and regulations of the State of Washington and Commission Orders govern the construction and interpretation of the Amended Agreement. The Amended Agreement is subject to the jurisdiction of the Commission.

- 17 (14) After examination of the proposed Amended Agreement filed by TCG and Qwest on July 28, 2003, and giving consideration to all relevant matters, the Commission finds the proposed Amended Agreement should be approved.
