Re: Revised Quarterly Activity Report of TracFone Wireless Inc., Docket No. UT-093012

Dear Mr. Danner:

Attached for filing in the above-referenced docket is the revised quarterly activity report of TracFone Wireless, Inc. for the second quarter of 2012. TracFone is filing this report in compliance with the Commission's order designating the company as an eligible telecommunications carrier.

The revision incorporates certain corrections to the non-usage figures for May and June 2012. TracFone discovered an error in connection with changes to its reporting system on June 1, 2012. The error did not affect any reports to USAC or any claim for reimbursement.

The document is designated as confidential pursuant to WAC 480-07-160, because it contains valuable commercial information, including the number of customers subscribing to TracFone's service and the type of services selected by customers. TracFone Wireless, Inc., would be directly and adversely affected by disclosure of the confidential information. A redacted copy is also attached.

Please contact me if you have any questions about this submission. If you have any questions, please feel free to contact me at (305) 715-3613, or sathanson@tracfone.com.

Sincerely,

Stephen Athanson
