Description	Dear UTC, As a home owner in Orcas Highlands, I ask you to set fair and comparable water rates at the upcoming September 28 meeting for the Highlands as compared to Rosario. Further, please recognize that the \$100,000 price for 10AF of water is unsubstantiated and grossly unfair to ratepayers. The cost over-runs and loan balance should be absorbed by Rosario Utilities because of a demonstrated lack of "prudence" Thank you
