Carole Washburn,

This letter is regarding Trystan Matthews d/b/a Recycle Whidbey. A hearing has been set for July 15th and 16th in Coupeville. Regrettably, I have been unable to find a Lawyer who is willing to take my case. This is due both to my personal financial constraints as well as the difficulty of finding a lawyer who has experience in this particular arena. For this reason, I am grossly under prepared for the upcoming hearing and am requesting a continuance for this case. I regret any inconvenience this may cause but without proper representation this hearing would be a waste of the Commissions time. I am very flexible as to times we might reschedule. Thank you for your consideration.

Sincerely,

Trystan Matthews
