PROSPECTUS

PUGET ENERGY, INC.
STOCK PURCHASE
AND
DIVIDEND REINVESTMENT PLAN
10,000,000 SHARES

COMMON STOCK

This prospectus relates to up to an aggregate of 10,000,000 shares of common stock, par value \$0.01 per share, of Puget Energy, Inc. that may be offered in connection with our amended and restated Stock Purchase and Dividend Reinvestment Plan or the Plan. The Plan replaces and assumes, by amendment and restatement, the Stock Purchase and Dividend Reinvestment Plan that was established on January 1, 2001.

The Plan provides holders of our common stock and interested new investors with a simple, convenient and low-cost means of investing cash dividends and making cash investments in our common stock. Below are some of the changes reflected in the amended Plan:

- . The Plan is now open to all investors, not just residents of Washington State.
- . The maximum investment has changed from \$100,000 annually to a monthly maximum investment of \$10,000.
- . Record holders with less than 100 shares will automatically be enrolled in the dividend reinvestment portion of the Plan.
- . Investors may authorize electronic deductions from their bank accounts for optional cash investments.

You should carefully read this prospectus to find out more about the Plan. If you wish to continue your participation in the Plan, you do not need to do anything at this time. If you are a participant in the original Stock Purchase and Dividend Reinvestment Plan and, after reviewing this prospectus, you do not wish to continue participation in the Plan, you should contact the Plan Administrator.

Your participation in the Plan is entirely voluntary, and you may terminate your participation at any time. If you do not elect to participate in the dividend reinvestment portion of the Plan, you will continue to receive cash dividends, if and when declared by our board of directors, in the usual manner.

The Plan does not represent a change in our dividend policy, which will continue to depend on future earnings, financial requirements and other factors. The payment of dividends is at the discretion of our board of directors and will depend on future earnings, our financial condition and other factors. Our board may change the amount and timing of dividends at any time without notice.

Our shares of common stock are traded on the New York Stock Exchange under the ticker symbol "PSD." The closing price of our common stock on April 4, 2002 was \$20.98 per share.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR HAS DETERMINED IF THIS PROSPECTUS IS ADEQUATE OR ACCURATE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

Purpose

The purpose of the Plan is to provide new and existing shareholders with a convenient and economical method of investing cash and cash dividends in shares of our common stock. Since new shares of our common stock may be purchased directly from us, we may receive additional funds for general corporate purposes.

Participation--How to Join

First time investors:

After you have read this prospectus, you may complete the Enrollment Form included or, you may enroll on-line through Investor ServiceDirect at www.melloninvestor.com. Simply click the "Invest Now" button and follow the instructions for authorizing your initial investment and whether you want to participate in the dividend reinvestment portion of the Plan.

If you purchase less than 100 shares, you will automatically be enrolled in the dividend reinvestment portion of the Plan, unless you request to receive cash dividends. All investments must be made in U.S. dollars and drawn on a U.S. bank.

You may make your initial investment by:

1. authorizing an electronic debit of at least \$250 but not more than \$10,000 from your U.S. bank account. This alternative is available to on-line investors only; or
2. authorizing a minimum of five (5) automatic monthly debit of \$50 or more from your U.S. bank account. This alternative is available to on-line investors only; or
3. mailing a check for at least \$250 but not more than \$10,000 drawn on a U.S. bank account to the Plan Administrator along with your Enrollment Form.

Follow the instructions on the on-line Enrollment Wizard to indicate your selection and, if paying by check, print out the instruction sheet and submit the sheet as indicated with your check, together with your Enrollment Form. The enrollment fee for new investors will be paid out of your initial investment. You can then make an election to have your dividends reinvested and/or make optional cash investments as described more fully below.

The Plan Administrator may confirm certain transactions and produce plan statements in paper form from time to time and will mail these to you at the address you give when you enroll in the Plan.

Current shareholders:

Record holders of our common stock are automatically eligible to participate in the dividend reinvestment portion of the Plan, and may make optional cash investments and sell shares. If you are a

shareholder of record holding less than 100 shares, you will automatically be enrolled in the dividend reinvestment portion of the Plan and will have your dividends reinvested in shares (unless you elect to receive cash dividends on your shares). As a shareholder participating in the Plan with less than 100 shares, you will have access to your account on-line over the Internet and you will receive annual account statements.

If you are a shareholder of record owning 100 shares or more you may elect to reinvest all or part of your dividends pursuant to the Plan. As a shareholder participating in the Plan with more than 100 shares, you will have access to your account on-line over the Internet and you will receive quarterly account statements.

Dividend payments not reinvested will be paid to you in the usual manner.

For current shareholders and new investors:

You may sign up for automatic monthly investments, change your investment amount or make additional investments at anytime by accessing your account over the Internet and using the account management feature.

You may establish additional investment accounts for children or dependents by following the instructions on the on-line Enrollment Wizard applicable to custodial or trust accounts.

How the Optional Cash Investments Work

In addition to having your dividend payments reinvested in our common stock, you may buy additional shares by investing a "minimum" of \$50 at any one time not to exceed the "maximum" of \$10,000 per month. You may submit your optional cash investments by check, money order or by authorizing electronic transfers. You can make individual automatic deductions from your bank account through Investor ServiceDirect by accessing your account on-line through the Plan Administrator's website www.melloninvestor.com. Upon receipt of the funds,

the Plan Administrator will invest initial and optional cash investments, less applicable fees, at least once every five (5) days.

Optional cash investments by any current participant of more than \$10,000 per month and any initial cash investment by a new investor in excess of \$10,000, may only be made pursuant to a Request for Waiver that has been granted by us as described in more detail on page 8 of this Prospectus. Investors may make a one-time optional cash investment or invest regularly over a period of time.

Your Funds Will Be Fully Invested

Funds invested pursuant to the Plan are fully invested in whole and fractional shares (computed to four decimal places) of our common stock either through the purchase of shares directly from us or the purchase of shares in the open market (or through a combination of these methods). We pay dividends on both whole shares and fractions of shares.

Share Safekeeping

For your convenience, shares purchased through the Plan will be maintained by the Plan Administrator in non-certificated (book-entry) form. Additionally, the Plan offers a "safekeeping" service whereby you may deposit, free of any service charges, certificates representing your shares of common stock and have your ownership of such common stock maintained on the Plan Administrator's

records as part of your account. This feature protects against loss, theft or destruction of stock certificates. A share certificate will be delivered to you free of charge, upon request.

You May Sell, Withdraw or Transfer Your Shares at Any Time

You may sell or withdraw shares of our common stock credited to your account, including those shares deposited into the Plan for safekeeping, through the Plan. A statement will be mailed to you for each month in which a transaction takes place. Additionally, you may transfer or make gifts to others of our common stock by contacting the Plan Administrator.

TERMS AND CONDITIONS OF THE PLAN

Am I Eligible to Participate in the Plan?

You are eligible to participate in the Plan if you meet the requirements outlined below.

- . If you do not currently own our stock. If you do not currently own any of our stock you may join the Plan, after receiving a copy of this prospectus, by making an initial investment of at least \$250, but not more than \$10,000. All U.S. citizens and non-U.S. residents are eligible to participate in the Plan, whether they are current shareholders or not. In all cases, however, investments must be made in U. S. currency drawn on a U.S. bank. Prior to investing in our common stock, each participant is responsible for reviewing the applicable laws of his or her country of residence to determine if there are any restrictions on investment.

You can get started in the Plan by enrolling on-line (see Participation - How to Join) or by returning a completed Enrollment Form to the Plan Administrator, along with your check or money order payable to Mellon Bank N.A. The Plan Administrator will arrange for the purchase of shares for your account but will not pay interest on amounts held pending investment. Please allow two (2) weeks for your account to be established, initial shares to be purchased and a statement to be mailed to you.

- . If you currently own our stock. If you already own less than 100 shares of our stock and the shares are registered in your name, you are automatically enrolled in the dividend reinvestment portion of the Plan. If you already own 100 shares or more of our stock and the shares are registered in your name, you may join the dividend reinvestment portion and/or the optional purchase portion of the Plan by enrolling on-line (see Participation - How to Join) or by returning a completed Enrollment Form to the Plan Administrator.

If your shares are held in a brokerage, bank or other intermediary account, and you wish to participate directly in the Plan, you should instruct your broker, bank or trustee to register some or all of your shares of our common stock directly in your name.

- . If you are already enrolled. If you are currently enrolled in the original stock purchase and dividend reinvestment plan, which is superseded by the Plan, and do not want to change your participation, no further action is required for your continued participation. However, if you wish to change your participation in any way (e.g., from partial to full reinvestment), you must submit a new Enrollment Form or access the account management feature on-line at www.melloninvestor.com.

What are my investment options?

Once enrolled in the Plan, you have the following investment options:

- . Dividend reinvestment. If you are a shareholder of record and you own less than 100 shares, you will automatically be enrolled in the Plan and will have your dividends reinvested in additional shares (unless you elect to receive cash dividends). In addition, you will receive an annual statement and will have electronic access to your account. If you are a shareholder of record owning 100 shares or more, you may choose to reinvest all or a portion of the regular cash dividends paid on your shares held in the Plan toward the purchase of

additional shares of our common stock. In addition, you will receive a quarterly account statement and have electronic access to your account.

You may change your dividend reinvestment election at any time by notifying the Plan Administrator. For a particular dividend to be reinvested, your notification must be received before the record date for that dividend. (The record date is approximately 25 days before the dividend payment date.)

You may, of course, choose not to reinvest any of your dividends, in which case the Plan Administrator will remit any dividends to you by check or automatic deposit to a bank account you designate.

If you elect to reinvest your dividends, you must choose one of the following:

- . Full dividend reinvestment. This means you will purchase additional shares through the Plan by investing all your cash dividends.
- . Partial dividend reinvestment. If you own 100 shares or more and choose to reinvest less than all your dividends, you may receive a cash dividend payment based on the number of full shares you specify and reinvest the dividends on all remaining shares. This allows you to receive a fixed amount of cash each quarter (assuming the dividend stays the same).
- . Optional cash investments. You may purchase additional shares of our common stock by using the Plan's optional cash investment feature. You must invest at least \$50 at any one time but not more than \$10,000 per month. Upon receipt of your funds, the Plan Administrator will invest initial and additional cash investments as promptly as practicable, at least once every five (5) business days.

Shares will be posted to your account in whole and fractional shares immediately upon settlement, usually within three business days. You will receive a confirmation of your transaction by paper statement at the postal address you give us when you enroll in the plan.

In the unlikely event that, due to unusual market conditions, the Plan Administrator is unable to invest the funds within 35 days, the Plan Administrator will return the funds to you by check. No interest will be paid on funds held by the Plan Administrator pending investment.

For automatic monthly purchases, the amounts you have authorized will be withdrawn from your banking account on the 24/th/ day of each month, or the next succeeding business day if the 24/th/ falls on a weekend or holiday. The funds will be credited to your account and invested within five (5) business days of receipt by the Plan Administrator.

The Plan Administrator will use your investment to purchase as many full and fractional shares as possible. Fractional share amounts will be computed to four decimal places.

You may make optional cash investments by sending a check or money order (not cash) to the Plan Administrator payable to Mellon Bank N.A., or by authorizing individual electronic transfers from your bank account by accessing your account on-line through Investor ServiceDirect at www.melloninvestor.com. To facilitate processing

of your investment when you send a check or money order, please use
the transaction stub attached to your Plan statement. Mail your
investment and transaction stub to the address specified on the

statement. A \$35 fee will be assessed for a check or electronic debit that is returned for insufficient funds. Please see the fee schedule attached as Appendix A.

How do I make optional cash investments over the maximum monthly amount?

If you wish to make an optional cash investment in excess of \$10,000 per month and be eligible for a potential discount from the market price, you must obtain our prior written approval. To obtain our approval, you must submit a Request for Waiver. To make a request for waiver, you should obtain a "Request For Waiver" form by contacting Mellon's Waiver Department at 1-917-320-6300. Completed Request For Waiver forms should be sent to Mellon's Waiver Department via facsimile at 1-917-320-6312 no later than three business days prior to the Pricing Period Start Date provided in Appendix B for the applicable Pricing Period. If we approve your request for waiver, then you must send to the Plan Administrator your optional cash payment of greater than \$10,000.

The Plan Administrator must receive your optional cash investment in good funds pursuant to a Request For Waiver form by the "Optional Cash Investments Must be Received By" date as set forth on Appendix B. This date is the close of business on the last day immediately preceding the first day of the applicable Pricing Period Start Date as set forth in Appendix B. Funds received after this date will be returned to you.

We also may make the foregoing information available on the Investor Relations segment of our website at www.pse.com or on another website we or

Mellon may establish for this purpose from time to time.

We have the sole discretion whether to approve any request to make an optional cash investment in excess of the \$10,000 monthly maximum. We may grant those requests for waiver in order of receipt or by any other method that we determine to be appropriate. We also may determine the amount that you may invest pursuant to a waiver. In deciding whether to approve your request for waiver, we may consider, among other things, the following factors:

- . whether, at the time of such request, the Plan Administrator is acquiring shares of common stock for the Plan directly from us or in the open market or in privately negotiated transactions with third parties;
- . our need for additional funds;
- . our desire to obtain additional funds through the sale of common stock as compared to other sources of funds;
- . the purchase price likely to apply to any sale of common stock;
- . the extent and nature of your prior participation in the Plan;
- . the number of shares of common stock you hold of record; and
- . the total amount of optional cash investments in excess of \$10,000 per month for which Requests for Waiver have been submitted.

If you do not receive a response from us in connection with your Request for Waiver, you should assume that we have denied your request.

If Requests for Waivers are submitted for any Pricing Period for an aggregate amount in excess of the amount we are then willing to accept, we may honor such requests in order of receipt, pro rata or by any other method that we determine, in our sole discretion, to be appropriate.

We reserve the right to modify, suspend or terminate participation in the Plan by otherwise eligible registered holders or beneficial owners of our common stock for any reason whatsoever including elimination of practices that are inconsistent with the purposes of the Plan.

How are my shares typically purchased?

Shares of our common stock purchased under the Plan will, at our election, be newly issued shares purchased directly from us, shares purchased by a broker, or a combination thereof. If shares are purchased under the Plan directly from us and by the Plan Administrator through its broker, each participant's Plan account will be credited with its pro rata portion of the number of shares purchased directly from us and by the broker. We have full discretion as to whether the common stock purchased under the Plan will be purchased on the open market or purchased directly from us.

- . Common Stock purchased in the open market. The investment price of our common stock purchased in the open market with reinvested dividends or with optional cash investments will be the weighted average price, including brokerage trading fees, incurred in connection with the purchase of such shares. No interest will be paid on funds held by the Plan Administrator pending investment.
- . Common Stock purchased directly from us. The price of our common stock purchased directly from us with reinvested dividends or optional cash investments will be the average of the high and low sale prices of shares of our common stock on the dividend payment date or optional cash investment date, as the case may be.

Your account will be credited with that number of shares, including fractional shares computed to four decimal places, equal to the amount invested with respect to your Plan account, divided by the price per share of such shares for all purchases for all Plan participants during the applicable period.

Unless you request one, certificates for shares of common stock purchased under the Plan will not be issued. The number of shares purchased for your account under the Plan will be shown on your statement of account in book-entry form.

Certificates for any number of whole shares credited to your account under the Plan will be issued upon your request. Any remaining full shares and fractions of a share will continue to be credited to your account. Certificates for fractions of shares will not be issued.

Once a "Request for Waiver" of optional cash investments over \$10,000 has been granted, how are shares priced and purchased?

Shares purchased pursuant to a granted Request for Waiver will be purchased directly from us. Optional cash investments made pursuant to a Request for Waiver will be applied to the purchase of shares of common stock as soon as practicable on or after the "Investment Date" as set forth in Appendix B. Optional cash investments made pursuant to a Request for Waiver will be acquired at a price equal to the average of the daily high and low sales prices computed up to four decimal places, if necessary, of our common stock as reported on the NYSE for the ten (10) Trading Days (as defined below) immediately preceding the applicable Investment Date. A "Trading Day" means a day on which

trades in our common stock are reported on the NYSE. The period encompassing the first ten (10) Trading Days immediately preceding the next following Investment Date constitutes the relevant "Pricing Period." The Plan Administrator will apply all optional cash investments for which good funds are received on or before the first business day before the Pricing Period to the purchase of shares of common stock as soon as practicable on or after the next following Investment Date.

We may set a minimum purchase price per share (the "Minimum Waiver Price") for optional cash investments in excess of \$10,000 per month made pursuant to a granted request for waiver for any pricing period. We will determine whether to set a Minimum Waiver Price, and, if so, its amount, at least three business days before the first day of the Pricing Period. We will notify the Plan Administrator of the Minimum Waiver Price, if any. In deciding whether to set a Minimum Waiver Price, we will consider current market conditions, the level of participation in the Plan and our current and projected capital needs. Participants may ascertain whether a Minimum Waiver Price has been set or waived for any given Pricing Period by calling Mellon's Waiver Department at 1-917-320-6300 or such other number as we may establish from time to time.

We will fix the Minimum Waiver Price for a Pricing Period as a dollar amount that the average of the high and low sales prices as reported by the NYSE for each trading day of that Pricing Period (not adjusted for discounts, if any) must equal or exceed. We will exclude from the Pricing Period and from the determination of the purchase price any trading day within the Pricing Period that does not meet the Minimum Waiver Price. We also will exclude from the Pricing Period and from the determination of the purchase price any day in which no trades of common stock are made on the NYSE. Thus, for example, if the Minimum Waiver Price is not met or no sales of our common stock are reported for two (2) of the ten (10) trading days in a Pricing Period, then we will base the purchase price upon the remaining eight trading days in which the Minimum Waiver Price was met.

In addition, we will return a pro rata portion of each optional cash investment made pursuant to an approved Request for Waiver for each trading day of a Pricing Period for which the Minimum Waiver Price is not met or for each day in which no trades of common stock are reported on the NYSE as soon as reasonably practical after the pricing period, without interest. The returned amount will equal one-tenth (1/10th) of the total amount of that optional cash investment (not just the amount exceeding \$10,000) for each trading day that the Minimum Waiver Price is not met or for each trading day in which sales are not reported. Thus, for example, if the Minimum Waiver Price is not met or no sales of our common stock are reported for two (2) of the ten (10) trading days in a Pricing Period, then we will return two-tenths (2/10th or 20%) of the optional cash investment to you without interest after conclusion of the Pricing Period.

The establishment of the Minimum Waiver Price and the possible return of a portion of the payment applies only to optional cash investments exceeding \$10,000 per month made pursuant to a granted request for waiver. Setting a Minimum Waiver Price for a pricing period will not affect the setting of a Minimum Waiver Price for any other Pricing Period. We may waive our right to set a Minimum Waiver Price for any particular Pricing Period. Neither we nor the Plan Administrator is required to give you notice of the Minimum Waiver Price for any Pricing Period. We may alter or amend at our sole discretion these Pricing Periods at any time and from time to time, prior to the commencement of any Pricing Period and prior to the granting of any waiver with respect to such period.

A discount of 0% up to 3% from the purchase price may be offered, in our sole discretion, with respect to a particular investment date to participants on purchases of our common stock through optional cash investments in excess of \$10,000 per month. The maximum discount rate, if any, on optional cash investments in excess of \$10,000 per month, may be obtained at least three (3) business days before the

first day of the applicable Pricing Period, as provided on Appendix B to this prospectus by calling Mellon's Waiver Department at 1-917-320-6300.

Setting a discount from the purchase price for optional cash investments in excess of \$10,000 per month for a particular Pricing Period will not affect the setting of a discount for any other Pricing Period. We may increase, decrease, or waive our right to set a discount from the purchase price for any particular Pricing Period. Neither we nor the Plan Administrator is required to give you notice of the discount for any Pricing Period.

How do I sell my shares out of the Plan?

You may sell any number of shares held in book-entry form by notifying the Plan Administrator by phone, by accessing your account over the Internet at www.melloninvestor.com or in writing. Your sale request will be processed and

your shares will, subject to market conditions and other factors, generally be sold by the close of the trading day for requests received by the Plan Administrator by 1:00 p.m. eastern time. The sale price will be the weighted average price of all shares sold for Plan participants during the period. Please note that the Plan Administrator cannot and does not guarantee the actual sale date or price, nor can it stop or cancel any outstanding sales or issuance requests. All requests are final. The Plan Administrator will mail a check to you (less applicable sales fees) on the settlement date, which is three business days after your shares have been sold. Please allow an additional five to seven business days from the settlement date for the post office to deliver your check.

There is a \$15.00 processing fee, plus a trading fee of \$0.10 per share, for sale transactions and liquidations.

Alternatively, you may choose to sell your shares through a stockbroker of your choice, in which case you would have to request a certificate for your shares from the Plan Administrator prior to such sale.

What is Safekeeping?

Shares of our common stock that you buy under the Plan will be maintained in your Plan account for safekeeping. You will receive a periodic Plan statement detailing the status of your holdings. Safekeeping protects your shares against loss, theft or accidental destruction. Safekeeping also provides a convenient way for you to keep track of your shares. Only shares held in safekeeping may be sold through the Plan.

If you own additional shares of our common stock in certificated form, you may deposit your certificates into your Plan account, free of charge. To use this service, send your certificates to Mellon Investor Services by registered mail with written instructions to deposit them into your Plan account for safekeeping. The Plan Administrator will provide loss insurance coverage for your certificates with a value not exceeding \$100,000 in any one shipping package that is mailed to its address at 85 Challenger Road, Ridgefield Park, New Jersey 07660 by USPS registered mail or by any of the following overnight couriers: Airborne, DHL, Emery, ExpressMail, FedEx, Purolator, TNT and UPS. Do not endorse the certificates or complete the assignment section.

Note: Mail loss insurance covers only the replacement of shares of stock and in no way protects against any loss resulting from fluctuations in the value of such shares.

May I gift my shares out of the Plan?

You may gift or transfer your shares to any recipient you choose by:

- . making an initial \$250 cash investment to establish an account in the recipient's name or
- . transferring shares from your account to the recipient.

You must transfer a whole number of shares unless you transfer your entire account. You may transfer shares to new or existing shareholders. The Plan Administrator will automatically place such new accounts in full dividend reinvestment status. New participants, at their discretion, may elect another option. If you participate in the dividend reinvestment portion of the Plan and your request to either transfer all your shares or make a partial sale and transfer the balance of your shares is received between the ex-dividend and the dividend record date, the processing of your request may be held until after your account is credited with reinvested dividends.

You must have your signature guaranteed by a financial institution participating in the Medallion Guarantee program. The Medallion Guarantee program ensures that the individual signing the certificate or transfer instructions is in fact the registered owner as the name appears on the stock certificate or stock power.

If you need additional assistance, please contact the Plan Administrator.

How do I get my stock certificates?

You may withdraw all or some of the shares from your Plan account by notifying the Plan Administrator. Certificates will be issued for whole shares only. If your request involves a fractional share, a check (less any applicable fees) for the value of the fractional share will be mailed to you.

Certificates will be issued in the name(s) in which the account is registered, unless otherwise instructed. If the certificate is issued in a name other than that on your Plan account registration form, the signature on the instructions or stock power must be guaranteed by a financial institution participating in the Medallion Guarantee program, as described above.

What are the fees relating to participation in the Plan?

Please see Appendix A. The Plan Administrator will deduct the applicable fees from the investment amount or proceeds from a sale.

How is my investment tracked?

If you participate in the dividend reinvestment portion of the Plan and you hold more than 100 shares, the Plan Administrator will mail you a quarterly Plan statement showing all transactions (shares, amounts invested, purchase prices) for your account, including year-to-date and other account information. If you own less than 100 shares, you will receive an annual Plan statement.

Supplemental statements or notices will be sent when you make an initial or optional cash investment or a deposit, transfer or withdrawal of shares.

Please retain your Plan statements to establish the cost basis of shares purchased under the Plan for income tax and other purposes.

You should notify the Plan Administrator promptly of any change in address since all notices, statements and reports will be mailed to your address of record.

How do I terminate participation in the dividend reinvestment portion of the Plan?

You may discontinue the reinvestment of your dividends at any time by giving notice to the Plan Administrator. The Plan Administrator must receive such notice before the close of business on the record date for any dividend payment in order to terminate your dividend reinvestment participation prior to such dividend payment date. The Plan Administrator will continue to hold your shares unless you request a certificate for any full shares and a check for any fractional share. You may also request the sale of all or part of any such shares or have the Plan Administrator electronically transfer your shares to your brokerage account.

After you terminate from the dividend reinvestment portion of the Plan, you may rejoin the Plan at any time by re-enrolling with the Plan Administrator. However, the Plan Administrator has the right to reject such enrollment if you repeatedly join and withdraw from the Plan, or for any other reason. The Plan Administrator's exercise of such right is intended to minimize unnecessary administrative expenses and to encourage use of the Plan as a long-term shareholder investment service.

What are some of the federal income tax consequences of my participation in the Plan?

Your reinvested dividends will be treated for federal income tax purposes in the same manner they would have been treated had you received such dividends in cash on the applicable dividend payment date. Your tax basis in the shares purchased will be equal to the amount of the cash dividends and optional cash investments applied to the purchases of such shares. Your holding period for the shares acquired pursuant to the Plan will begin on the day after the date the shares are purchased. You may recognize gain or loss when your shares (including fractional shares) are sold or otherwise disposed of in a taxable exchange, whether by the Administrator on your behalf or by you upon withdrawal of your shares from the Plan. The amount of such gain or loss will be the difference between the amount you receive for the shares and your tax basis in such shares. YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISER TO DETERMINE THE PARTICULAR TAX CONSEQUENCES THAT MAY RESULT FROM YOUR PARTICIPATION IN THE PLAN AND THE SUBSEQUENT SALE OR OTHER DISPOSITION OF SHARES ACQUIRED UNDER THE PLAN, INCLUDING THE EFFECT OF ANY APPLICABLE STATE, LOCAL AND FOREIGN TAX LAWS.

Plan modification or termination

We reserve the right to suspend, modify or terminate the Plan at any time. You will receive notice of any such suspension, modification or termination. We, together with the Plan Administrator, also reserve the right to change any administrative procedures of the Plan.

Suspension or termination

We reserve the right to deny, suspend or terminate participation by a shareholder who is using the Plan for purposes inconsistent with the intended purpose of the Plan. In such event, the Plan Administrator will notify you in writing and will continue to keep your shares safe but will no longer accept optional cash investments or reinvest your dividends. The Plan Administrator will issue a certificate to you upon request.

Limitation of liability

The Plan provides that neither we nor the Plan Administrator in administering the Plan nor any independent agent will be liable for any act done in good faith or for the good faith omission to act in connection with the Plan. This includes, without limitation, any claims of liability:

- . for failure to terminate your account upon your death prior to receiving written notice of such death; or
- . relating to purchase or sale prices reflected in your Plan account or the dates of purchases or sales of your Plan shares; or
- . for any loss or fluctuation in the market value after purchase or sale of such shares. The foregoing does not represent a waiver of any rights you may have under applicable securities laws.

USE OF PROCEEDS

We expect to use the net proceeds received from the issuance and sale of common stock offered hereby for general corporate purposes, including capital expenditures.

DESCRIPTION OF CAPITAL STOCK

We are authorized to issue 250,000,000 shares of common stock, \$0.01 par value per share, and 50,000,000 shares of preferred stock, par value \$0.01 per share.

Common Stock

As of March 31, 2002, there were 87,327,321 shares of common stock outstanding, held of record by 123,000 shareholders. The holders of common stock are entitled to one vote per share on all matters submitted to a vote of shareholders. Our restated articles of incorporation do not permit cumulative voting in the election of directors. Holders of common stock are entitled to receive ratably such dividends as may be declared by our board of directors out of funds legally available therefor, subject to preferences that may be applicable to any outstanding preferred stock. In the event of liquidation, dissolution or winding up of Puget Energy, holders of our common stock are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preference of any outstanding preferred stock. Holders of common stock have no preemptive, subscription or conversion rights. There are no redemption or sinking fund provisions applicable to the common stock. All the outstanding shares of common stock are validly issued, fully paid and nonassessable.

Preferred Stock

Our board of directors has authority to issue 50,000,000 shares of preferred stock in one or more series and to fix the powers, designations, preferences and relative, participating, optional or other rights thereof, including dividend rights, conversion rights, voting rights, redemption terms, liquidation preferences and the number of shares constituting any series, without any further vote or action by our shareholders. The issuance of preferred stock with voting and conversion rights may adversely affect the voting power of the holders of common stock. Accordingly, preferred stock could be issued with terms that could delay or prevent a change of control of Puget Energy or make removal of management more difficult. We have no shares of preferred stock outstanding as of the date of this prospectus.

Antitakeover Effects of Charter Documents and Washington State Law

Provisions of our restated articles of incorporation, our bylaws and Washington State law may be deemed to have an antitakeover effect and may collectively operate to delay, defer or prevent a tender offer or takeover attempt that a shareholder might consider in his or her best interest, including those attempts that might result in a premium over the market price for the shares held by our shareholders.

Preferred Stock

As noted above, our board of directors, without shareholder approval, has the authority under our restated articles of incorporation to issue preferred stock with rights superior to the rights of the holders of common stock. As a result, preferred stock could be issued quickly and easily, could adversely affect the rights of holders of common stock and could be issued with terms calculated to delay or prevent a change in control or make removal of management more difficult.

Election and Removal of Directors

Our board of directors is divided into three classes, each class having a three-year term that expires on a year different from the other classes. At each annual meeting of shareholders, the successors to the class of directors whose terms are expiring are elected to serve for three-year terms. This classification of the board of directors has the effect of requiring at least two annual shareholder meetings, instead of one, to replace a majority of the directors. In addition, our directors may be removed only for cause. Because this system of electing and removing directors generally makes it more difficult for shareholders to replace a majority of the board of directors, it may discourage a third party from making a tender offer or otherwise attempting to gain control of Puget Energy and may maintain the incumbency of our board of directors.

Shareholder Meetings

Our articles of incorporation provide that shareholders may not call a special meeting of the shareholders. Our board of directors, the chairman of the board, the chief executive officer and the president each may call special meetings of shareholders.

Requirements for Advance Notification of Shareholder Nominations and Proposals

Our bylaws contain advance notice procedures with respect to shareholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of our board of directors or a committee thereof.

Washington State Law

Washington State law imposes restrictions on certain transactions between a corporation and certain significant shareholders. The Washington Business Corporation Act generally prohibits a "target corporation" from engaging in certain significant business transactions with an "acquiring person," which is defined as a person or group of persons that beneficially owns 10% or more of the voting securities of the target corporation, for a period of five (5) years after such acquisition, unless the transaction or acquisition of shares is approved by a majority of the members of the target corporation's board of directors prior to the time of the acquisition. Such prohibited transactions include, among other things,

- . a merger or consolidation with, disposition of assets to, or issuance or redemption of stock to or from, the acquiring person;
- . termination of 5% or more of the employees of the target corporation as a result of the acquiring person's acquisition of 10% or more of the shares; or
- . allowing the acquiring person to receive any disproportionate benefit as a shareholder.

After the five-year period, a "significant business transaction" may occur if it complies with "fair price" provisions specified in the statute. A corporation may not "opt out" of this statute. This provision may have the effect of delaying, deterring or preventing a change in control of Puget Energy.

Shareholder Rights Plan

We have a shareholders rights plan pursuant to which holders of our common stock have been granted one preferred share purchase right on each outstanding share of common stock. The preferred share purchase rights are not currently exercisable and will become exercisable only upon the earlier of

- . the close of business on the tenth business day after a public announcement that a person has acquired beneficial ownership of 10% or more of our outstanding shares of common stock and
- . a date that our board of directors designates following the commencement of, or first public disclosure of an intent to commence, a tender or exchange offer for outstanding shares of common stock which could result in the offeror becoming the beneficial owner of 10% or more of our outstanding shares of common stock.

Each preferred share purchase right entitles its registered holder to purchase from us one one-hundredth of a share of our Series R Participating Cumulative Preferred Stock, at a price of \$65 per one one-hundredth of a preferred share, subject to certain antidilution adjustments.

If a person acquires beneficial ownership of 10% or more of our outstanding shares of common stock, the preferred share purchase rights will entitle each right holder, other than a beneficial owner of 10% or more of our outstanding shares of common stock, or any affiliate or associate of that person, to purchase, for the purchase price, the number of shares of our common stock which at the time of the transaction would have a market value of twice the purchase price.

Any preferred share purchase rights that are at any time beneficially owned by a beneficial owner of 10% or more of our outstanding shares of common stock, or any affiliate or associate of that person, will be null and void and nontransferable. Furthermore, any holder of any preferred share purchase rights who beneficially owns 10% or more than 10% of our shares of common stock, any affiliate or associate of that person, or any purported transferee or subsequent holder will be unable to exercise or transfer such person's preferred share purchase rights.

After a person becomes the beneficial owner of 10% or more of our outstanding shares of common stock, our board of directors may elect to exchange each preferred share purchase right, other than those that have become null and void and nontransferable as described above, for shares of common stock, without payment of the purchase price. The exchange rate in this situation would be one-half the number of shares of common stock that would otherwise be issuable at that time upon the exercise of one preferred share purchase right.

Each of the following events would entitle each holder of a preferred share purchase right to purchase, for the purchase price, that number of shares of common stock of another publicly traded corporation which at the time of the event would have a market value of twice the purchase price:

- . the acquisition of Puget Energy in a merger by that publicly traded corporation;
- . a business combination between Puget Energy and that publicly traded corporation; or
- . the sale, lease, exchange or transfer of 50% or more of our assets or assets accounting for 50% or more of our net income or revenues, in one or more transactions, to that publicly traded corporation.

If any one of these events involved an entity that is not publicly traded, each holder of a preferred share purchase right would be entitled to purchase, for the purchase price and at such holder's option:

- . that number of shares of the surviving corporation in the transaction, whether the surviving corporation is Puget Energy or the other corporation, which at the time of the transaction would have a book value of twice the purchase price;
- . that number of shares of the ultimate parent entity of the surviving corporation which at the time of the transaction would have a book value of twice the purchase price; or
- . that number of shares of common stock of the acquiring entity's affiliate that has publicly traded shares of common stock, if any, which at the time of the transaction would have a market value of twice the purchase price.

At any time prior to any person acquiring beneficial ownership of 10% or more of our outstanding shares of common stock, our board of directors may redeem the preferred share purchase rights in whole, but not in part. The redemption price of \$.01 per preferred share purchase right, subject to adjustment in certain circumstances, may be in cash, shares of common stock or other Puget Energy securities deemed by our board of directors to be at least equivalent in value.

Because of the nature of the preferred shares' dividend, liquidation and voting rights, the value of the one one-hundredth interest in a preferred share issuable upon exercise of each preferred share purchase right should approximate the value of one common share. Customary antidilution provisions are designed to protect that relationship in the event of certain changes in the common and preferred shares.

The preferred share purchase rights have certain antitakeover effects and will cause substantial dilution to a person that attempts to acquire Puget Energy on terms not approved by our board of directors. The preferred share purchase rights should not affect any prospective offeror willing to make an all-cash offer at a full and fair price, or willing to negotiate with our board of directors. Similarly, the preferred share purchase rights will not interfere with any merger or other business combination approved by our board of directors since the board of directors may, at its option, redeem all, but not less than all, of the then outstanding preferred share purchase rights at the redemption price. The shareholder rights plan and the rights expire in December 2010.

PLAN OF DISTRIBUTION

Subject to the discussion below, we will distribute newly issued shares of our common stock sold under the Plan. FutureShare, a registered broker/dealer, will assist in the identification of investors and other related services, but will not be acting as an underwriter with respect to shares of our common stock sold under the Plan. There are no brokerage commissions or service charges allocated to participants in the Plan in connection with their purchases of such newly issued shares of common stock.

In connection with the administration of the Plan, we may be requested to approve investments made pursuant to Requests for Waiver by or on behalf of participants or other investors who may be engaged in the securities business.

Persons who acquire shares of our common stock through the Plan and resell them shortly after acquiring them, including coverage of short positions, under certain circumstances, may be participating in a distribution of securities that would require compliance with Regulation M under the Securities Exchange Act of 1934, and may be considered to be underwriters within the meaning of the Securities Act of 1933. We will not extend to any such person any rights or privileges other than those to which it would be entitled as a participant, nor will we enter into any agreement with any such person regarding the resale or distribution by any such person of the shares of our common stock so purchased. We may, however, accept investments made pursuant to Requests for Waiver by such persons.

From time to time, financial intermediaries, including brokers and dealers, and other persons may engage in positioning transactions in order to benefit from any waiver discounts applicable to investments made pursuant to Requests for Waiver under the Plan. Those transactions may cause fluctuations in the trading volume of our common stock. Financial intermediaries and such other persons who engage in positioning transactions may be deemed to be underwriters. We have no arrangements or understandings, formal or informal, with any person relating to the sale of shares of our common stock to be received under the Plan. We reserve the right to modify, suspend or terminate participation in the plan by otherwise eligible persons to eliminate practices that are inconsistent with the purpose of the Plan.

We will pay any and all brokerage commissions and related expenses incurred in connection with purchases of our common stock under the plan. Upon withdrawal by a participant from the plan by the sale of shares of our common stock held under the Plan, the participant will receive the proceeds of that sale less a transaction fee and any required tax withholdings or transfer taxes.

You will not incur fees, commissions or expenses in connection with purchases made under the Plan. If you direct the Plan Administrator to sell shares of common stock credited to your account, however, the Administrator will deduct from the sales proceeds; (1) any applicable service fee (currently \$15.00 per sale transaction) plus (2) the trading fee of \$.10 per share.

Item 15. Indemnification of Directors and Officers

Sections 23B.08.500 through 23B.08.600 of the Washington Business Corporation Act (the "WBCA") authorize a court to award, or a corporation's board of directors to grant, indemnification to directors and officers on terms sufficiently broad to permit indemnification under certain circumstances for liabilities arising under the Securities Act of 1933, as amended (the "Securities Act"). Section 6 of Puget Energy's bylaws, provide for indemnification of Puget Energy's directors and officers to the maximum extent permitted by Washington law.

Section 23B.08.320 of the WBCA authorizes a corporation to limit a director's personal liability to the corporation or its shareholders for monetary damages for conduct as a director, except in certain circumstances involving intentional misconduct, knowing violations of law or illegal corporate loans or distributions, or any transaction from which the director personally receives a benefit in money, property or services to which the director is not legally entitled. Article II of Puget Energy's restated articles of incorporation contains provisions implementing, to the fullest extent permitted by Washington law, such limitations on a director's liability to Puget Energy and its shareholders.

Officers and directors of Puget Energy are covered by insurance (with certain exceptions and certain limitations) that indemnifies them against losses and liabilities arising from certain alleged "wrongful acts," including alleged errors or misstatements, or certain other alleged wrongful acts or omissions constituting neglect or breach of duty.

Item 17. Undertakings

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commissions pursuant to Rule 424(b) if, in the aggregate, the changes in the volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 and Form F-3, and information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or forwarded to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration, by means of a post-effective amendment, any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefits plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

We are acting as counsel for Puget Energy, Inc. (the "Company") in connection with the Registration Statement on Form S-3, as amended (the "Registration Statement"), filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended, relating to the offering, as set forth in the prospectus contained in the Registration Statement (the "Prospectus"), of the Company's shares of common stock, \$0.01 par value per share (the "Shares"). The Shares are to be issued from time to time pursuant to the Company's Amended and Restated Stock Purchase and Dividend Reinvestment Plan (the "Plan"). The Plan replaces and assumes, by amendment and restatement, the Puget Energy, Inc. Stock Purchase and Dividend Reinvestment Plan that was established on January 1, 2001. We have examined the Registration Statement and such documents and records of the Company and other documents as we have deemed necessary for the purposes of this opinion. Based upon the foregoing, we are of the opinion that upon the happening of the following events:

- (a) the filing and effectiveness of the Registration Statement and any amendments thereof, and
- (b) the approval by the Board of Directors of the Company of the issuance and sale of the Shares in accordance with the terms of the Plan; and
- (c) the appropriate issuance and delivery of the Shares to the purchaser or purchasers thereof in accordance with the terms of the Plan and the consideration therefor has been received by the Company.

The Shares will be duly authorized, validly issued, fully paid and nonassessable.

We consent to the filing of this opinion as an exhibit to the Registration Statement and any amendment thereto, including any post-effective amendments. We also consent to the identification of our firm as special counsel to the Company in the section of the Prospectus (which is a part of the Registration Statement) entitled, "Legal Opinion." In giving such consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.

Very truly yours,

/s/ Perkins Coie LLP

AMENDED AND RESTATED PUGET ENERGY, INC. STOCK PURCHASE AND
DIVIDEND REINVESTMENT PLAN

This is an amendment and restatement of the Puget Energy, Inc. Stock Purchase and Dividend Reinvestment Plan that was previously amended and restated in January 2001.

1. Definitions

The following terms when used herein shall have the following meanings:

"Broker" shall mean one or more securities broker-dealers selected from time to time by the Plan Administrator to act as independent agents for the Participants in the purchase and sale of shares of the Company's Common Stock under the Plan.

"Company" shall mean Puget Energy, Inc.

"Dividend Payment Date" shall mean each date on which dividends are paid on the Company's stock. These dates are usually February 15, May 15, August 15, and November 15 of each year.

"Enrollment Form" shall mean such enrollment form as the Plan Administrator or the Company may from time to time, or upon request, furnish to Shareholders or new investors who are not Shareholders and which shall be returned to the Plan Administrator together with the Initial Cash Investment to indicate their election to participate in the Plan.

"Exchange" shall mean the New York Stock Exchange.

"Initial Cash Investment" shall mean any initial cash investment made by a Participant to the Company for purchase of shares of the Company's Common Stock under the Plan. An Initial Cash Investment may not (a) equal less than \$250 or (b) total more than \$10,000.

"Optional Cash Investment" shall mean any additional cash payment made by a Participant to the Company for the purchase of shares of the Company's Common Stock under the Plan. Optional Cash Investments may not (a) equal less than \$50 each or (b) total more than \$10,000 in any month.

"Participant" shall mean any Shareholder or new investor who is not a Shareholder who has enrolled in the Plan on-line over the Internet or has returned an Enrollment Form to the Plan Administrator indicating election to participate in the Plan.

"Plan" shall mean the Amended and Restated Puget Energy, Inc. Stock Purchase and Dividend Reinvestment Plan.

"Plan Administrator" shall mean The Mellon Bank N.A. through its designated affiliates Mellon Investor Services and FutureShare Financial LLC or other agent duly appointed by the Company to administer the Plan.

"Shareholder" shall mean any holder of record of the Company's Common Stock or Preferred Stock.

2. Purpose

The purpose of this Plan is to provide Shareholders and interested new investors with a convenient and economical method of investing cash dividends and make cash investments in shares of the Company's Common Stock. The shares of the Company's Common Stock purchased under this Plan with reinvested cash dividends and Initial and Optional Cash Investments will, at the election of the Company, be newly issued shares purchased directly from the Company, shares purchased on the open market by the Broker or a combination thereof.

3. Eligibility for Participation

Existing Shareholders and interested new investors who are not Shareholders are eligible to participate in the Plan and may do so by enrolling on-line over the Internet or by completing the Enrollment Form and returning it to the Plan Administrator, together with an Initial Cash Investment or an Optional Cash Investment, as the case may be. Instructions for enrollment on-line over the Internet are provided by the Plan Administrator.

4. Administration

The Plan Administrator shall maintain records and perform such other duties as may be required. In addition, the Plan Administrator shall send to each Participant (a) annual or quarterly (annual if the Participant holds less than 100 shares and participates only in the dividend reinvestment portion of the Plan) statements of the Participant's Plan account, and (b) annual and quarterly reports to Shareholders, proxy statements and income tax information for reporting dividends. Shares purchased by a Participant through the Plan shall be held by the Plan Administrator in book-entry form. Unless instructed otherwise, the dividends on such shares shall be automatically reinvested on each Dividend Payment Date.

The Company shall pay all costs of administering the Plan, except as provided in this paragraph 4. Participants will pay the trading fees for any shares purchased on the open market and a fee for plan histories. No commission will be paid on any newly issued shares purchased directly from the Company under this Plan. In certain instances, a Participant may also incur trading fees upon the sale of shares in the Participant's Plan account in connection with the withdrawal of a Participant from this Plan as described in Section 11. Additional fees are set forth in the fee schedule attached as Appendix A.

5. Reinvestment of Dividends

Shareholders may elect to have their cash dividends automatically reinvested by enrolling on-line over the Internet or completing the Enrollment Form to that effect and returning it to the Plan Administrator. In such cases, cash dividends on shares held in a Participant's Plan account will be automatically reinvested until such shares are withdrawn from the Participant's Plan account. Reinvestment of cash dividends shall commence with dividends paid on the next Dividend Payment Date following the Plan Administrator's receipt of the Enrollment Form or the processing of enrollment on-line provided the enrollment request is received on or before the record date established for payment of the dividends. If the Plan Administrator receives the enrollment request after such record date, then the reinvestment of dividends shall commence with the Dividend Payment Date following the next established record date. Any Shareholder who owns less than 100 shares shall be automatically enrolled in the dividend reinvestment portion of the Plan unless the Participant elects to receive cash dividends.

6. Optional Cash Investments

Participants are eligible to make Optional Cash Investments at any time. Shareholders or interested new investors may elect to make an Initial Cash Investment by enrolling on-line over the Internet or by completing the Enrollment Form for that purpose and returning it to the Plan Administrator. Optional Cash Investments, or any portion thereof, may be accepted or rejected by the Plan Administrator or Company in their sole discretion. Any Optional Cash Investment, or portion thereof, that is rejected by the Plan Administrator or the Company will be returned to the Participant as promptly as practical after the Plan Administrator or the Company elects to reject such investments. Initial Cash Investments and Optional Cash Investments shall be used to purchase shares of the Company's Common Stock as promptly as practical after the Plan Administrator receives the Participant's Initial Cash Investment or Optional Cash Investment in the form of an electronic bank transfer, check or money order payable to Mellon Bank N.A. at least once every five business days. No Participant's Optional Cash Investments may (a) equal less than \$50 each or (b) total more than \$10,000 in any month. No Participants' Initial Cash Investment may (a) equal less than \$250 or (b) total more than \$10,000.

7. Optional Cash Investments Over the Maximum Monthly Amount

Participants may make an Optional Cash Investment in excess of \$10,000 per month with the Company's prior written approval. Approval is obtained by submitting a Request for Waiver. Completed Request For Waiver forms must be sent to the Plan Administrator's Waiver Department via facsimile no later than three business days prior to the Pricing Period Start Date provided in Appendix B (which Appendix B may be amended from time to time by the Plan Administrator and an authorized officer of the Company) to this Plan for the applicable Pricing Period. If a Request for Waiver is approved, then the Participant must send to the Plan Administrator its Optional Cash Investment of greater than \$10,000.

The Plan Administrator must receive the Optional Cash Investment in excess

of the \$10,000 monthly maximum in good funds pursuant to a Request For Waiver form by the "Optional Cash Investments Must be Received By" date as set forth on Appendix B. This date is the close of business on the last day immediately preceding the first day of the applicable Pricing Period Start Date as set forth in Appendix B. Funds received after this date will be returned to the Participant without interest.

The Company has the sole discretion whether to approve any request to make an Optional Cash Investment in excess of the \$10,000 monthly maximum. In deciding whether to approve a request for waiver, the Company may consider, among other things, the following factors:

- . whether, at the time of such request, the Plan Administrator is acquiring shares of Common Stock for the Plan directly from the Company or in the open market or in privately negotiated transactions with third parties;
- . the Company's need for additional funds;
- . the Company's desire to obtain additional funds through the sale of Common Stock as compared to other sources of funds;
- . the purchase price likely to apply to any sale of Common Stock;
- . the extent and nature of a Participant's prior participation in the Plan;
- . the number of shares of Common Stock a Participant holds of record; and
- . the total amount of Optional Cash Investments in excess of \$10,000 per month for which Requests for Waiver have been submitted.

8. Purchase of Shares

Shares of the Common Stock purchased under the Plan will, at the Company's election, be newly issued shares purchased directly from the Company, shares purchased by a broker, or a combination thereof. The Company has full discretion as to whether the Common Stock purchased under the Plan will be purchased on the open market or purchased directly from the Company.

- . Common Stock purchased in the open market. The investment price of the Common Stock purchased in the open market with reinvested dividends, Initial Cash Investments or with Optional Cash Investments will be the weighted average price, including brokerage trading fees, incurred in connection with the purchase of such shares. No interest will be paid on funds held by the Plan Administrator pending investment.
- . Common Stock purchased directly from the Company. The price of the Common Stock purchased directly from the Company with reinvested dividends, Initial Cash Investments or Optional Cash Investments will be the average of the high and low sale prices of shares of the Common Stock on the Dividend Payment Date or Optional Cash Investment date, as the case may be.

The Participants will be credited with that number of shares, including fractional shares computed to four decimal places, equal to the amount invested with respect to his, her or its Plan account, divided by the price per share of such shares for all purchases for all Participants during the applicable period.

9. Purchase of Shares Upon a Request for Waiver

Shares purchased pursuant to a granted Request for Waiver are purchased directly from the Company. Optional Cash Investments made pursuant to a Request for Waiver will be applied to the purchase of shares of Common Stock as soon as practicable on or after the "Investment Date" as set forth in Appendix B. Optional Cash Investments made pursuant to a Request for Waiver are acquired at a price equal to the average of the daily high and low sales prices computed up to four decimal places, if necessary, of the Common Stock as reported on the Exchange for the ten (10) Trading Days (as defined below) immediately preceding the applicable Investment Date. A "Trading Day" means a day on which trades in the Common Stock are reported on the Exchange. The period encompassing the first ten (10) Trading Days immediately preceding the next following Investment Date constitutes the relevant "Pricing Period." The Plan Administrator will apply all Optional Cash Investments for which good funds are received on or before the first business day before

the Pricing Period to the purchase of shares of common stock as soon as practicable on or after the next following Investment Date.

A discount of 0% to 3% from the purchase price may be offered, in our sole discretion, with respect to a particular investment date to Participants on purchases of the Company's common stock through Optional Cash Investments in excess of \$10,000 per month.

10. Amendment of Investment Option

A Participant may change the investment option elected under this Plan by notifying the Plan Administrator in writing, by telephone or on-line over the Internet. With respect to the dividend reinvestment portion of the Plan, notices received by the Plan Administrator not later than the record date established for any Dividend Payment Date shall be effective as of such Dividend Payment Date and thereafter.

11. Withdrawal of Purchased Shares and Termination of Account

A Participant who has purchased shares of the Company's Common Stock under this Plan may withdraw all or a portion of such shares by notifying the Plan Administrator, specifying in the notice the number of shares to be withdrawn. If requested, certificates for whole shares withdrawn shall be issued to the Participant or transferred to a Participant's brokerage account. In no case shall certificates or transfers for fractional shares be issued. Any fractional share withdrawn shall be liquidated as soon as practicable after receipt of withdrawal notice by the Plan Administrator. The liquidated amount for any fractional share and certificate(s) for whole shares shall be mailed directly to the withdrawing Participant by the Plan Administrator.

If the Participant is terminating participation in this Plan, the Participant may withdraw all shares and request that a certificate be issued, that whole shares be transferred to a Participant's brokerage account or that shares be sold and the cash proceeds be forwarded to the Participant. Such sale shall be made by the Broker. The Broker will have full discretion as to all matters relating to sales by the Broker, including the date of any sales and the prices received for such shares. The proceeds of such sale by the Broker, less trading fees, shall be paid to such Participant. Shares that are to be sold by the Broker may be aggregated with those of other terminating Participants, in which case the proceeds to each terminating Participant will be based on the average sales price, less brokerage commissions.

12. Common Stock Rights Offering, Stock Split, Stock Dividend

Participation in any Common Stock rights offering shall be based upon both the shares registered in the Participant's name and the shares (including fractional shares) credited to the Participant's Plan account in book-entry form. Any stock dividend or share resulting from any stock split with respect to shares credited to the Participant's Plan account shall be added to such account.

13. Voting

All shares credited to a Participant's Plan account in book-entry form shall be voted as the Participant directs. If on the record date for a meeting of Shareholders there are shares credited to the Participant's Plan account, the Participant (whether or not any shares are registered in the Participant's own name) shall be sent the proxy materials for such meeting. If the Participant returns an executed proxy, all shares credited to the Participant (including any fractional shares) shall be voted in accordance with such proxy; otherwise, the Participant may vote such shares in person at such meeting.

14. Liability

In administering this Plan, neither the Company nor the Plan Administrator shall be liable for any good faith acts or omissions, including, without limitation, any failure to terminate a Participant's Plan account upon such Participant's death.

15. Termination

The Company reserves the right to modify, suspend or terminate this Plan at any time.

16. Direct Registration System

Shares purchased under the Plan (unless requested otherwise by the Participant) will be in book-entry-form through the use of the Direct Registration System. Shares may be transferred from the Participant's Plan account to a Participant's brokerage account and vice versa.

17. Compliance With Applicable Laws and Regulations

The Company's obligation to offer, issue or sell shares of the Company's Common Stock under this Plan shall be subject to (a) the Company's obtaining any necessary approval, authorization or consent from any regulatory authority having jurisdiction and from any stock exchange on which shares of the Company's Common Stock may then be listed and (b) the condition that, at the time of the offer, issuance or sale, the price at which such shares are being offered, issued or sold shall be at least equal to the then stated value of such shares.
