To whom it may concern,

We are requesting the continuation of a fuel surcharge to our passenger fares at the same rate as our last submission. This reflects the cost of fuel at this time. We have not had another shipment of fuel since our last request.

Enclosed you will find:

1. Special Fuel Surcharge Supplement No. 9, replacing Supplement No. 8
2. 2004 Boat Fuel Surcharge Calculation Sheet – Bob Colbo assisted us in preparing this statement.
3. L.S.N. request to waive statutory requirements giving us permission to begin the fuel surcharge on 1/15/05.
4. A copy of our most recent bulk fuel purchase

We respectfully request your approval of these changes to our tariff 63. If additional information is needed, please contact Cindy Engstrom at 509-682-2012. Thank you for your consideration.

Sincerely,
Jack D. Raines
