Attention: Secretary

Docket Number: TV050657

Dear Secretary:

Recently, we submitted a request to your agency for an extension in the time allowed to file an Annual Report for our company, Allied Van Lines. In that request, we outlined the reason behind the request and the unavoidable situation that necessitates our request.

This letter will serve to supplement that request and further outline a timeline for submission. We desire to identify September 30, 2005 as the date by which we propose to file the Annual Report.

We thank you for your prompt attention to this matter and ask that you contact us immediately should you have additional requests or comments surrounding our request. You may reach me telephonically at 260-429-2201.

Sincerely,

A handwritten signature in black ink, appearing to be "Mark Patterson", written over a horizontal line.
