**Re: Docket No. TC-061847  
Application of Roman Solutions LLC**

Dear Judge Torem:

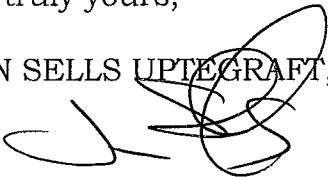

Please consider this letter a request for modification of the Order 01 in Docket TC-061847. Specifically, we request a one week's extension of the exchange of hearing documents. My client is out of the country, and staff has requested a meeting or conference call regarding a tentative agreement between Applicant and the last remaining protestant, my client. This is something my client would need to take part in personally, and a "transatlantic hook-up" may or may not work, and certainly would involve substantial expense.

Counsel for Applicant and Assistant Attorney General Fassio have no objection.

Thank you for your consideration.

Very truly yours,

RYAN SELLS UPTEGRAFT, INC. P.S.
