Re: Rulemaking to Consider Amending WAC 480-120-262(8) Emergency calls.
E911, Docket UT-070199

TO ALL INTERESTED PERSONS:

This letter is to inform you of the progress made in the Washington Utilities and Transportation Commission's (Commission) rulemaking to consider amending WAC 480-120-262 Operator Service providers (OSPs) to delete subsection (8) Emergency calls. This letter also provides notice of an opportunity to file written comments on proposed amended rule and participate in the formal rule adoption hearing.

On May 10, 2007, the Commission filed a Notice of Proposed Rulemaking (CR-102) in this docket with the Office of the Code Reviser. The proposal would delete subsection (8) Emergency calls in WAC 480-120-262 that requires that OSPs be capable of transferring an emergency call back to the 911 system with the call routed to the correct Public Safety Answering Point (PSAP) for the location of the caller. Repealing the subsection would not have any appreciable impact on the E-911 system given changes in technology and the OSPs business practices. This action begins the final part of the rulemaking process, which includes a written comment period, a public adoption hearing, and a decision by the Commission.

THE COMMISSION GIVES NOTICE of your opportunity to submit written comments on the proposed rule by filing with the Commission Secretary either by electronic transmission as described below, or by physical delivery to 1300 S. Evergreen Park Drive S.W., P.O. Box 47250, Olympia, Washington, 98504-7250,

no later than 5:00 p.m., Monday, June 25, 2007. The proposed rule, as filed with the Code Reviser, is available for inspection on the Commission's web site at www.wutc.wa.gov/070199. The Commission will send you a paper copy of the proposed rule or will send the proposal via electronic mail, if you ask.

You may submit comments via the Commission's Web portal at <www.wutc.wa.gov/e-filing> or by electronic mail to the Commission's Records Center at <records@wutc.wa.gov>. Please include:

- The docket number of this proceeding (UT-070199)
- The commenting party's name
- The title and date of the comment or comments

An alternative method for submitting comments may be by mailing/delivering an electronic copy on a 3 ½ inch, IBM-formatted, high density disk, in .pdf Adobe Acrobat format or in Word 97 or later. Include all of the information requested above. The Commission will post on the Commission's web site all comments that are provided in electronic format. The web site is located at <http://www.wutc.wa.gov/070199>. If you are unable to file your comments electronically or to submit them on a disk, the Commission will always accept a paper document.

THE COMMISSION GIVES FURTHER NOTICE of your opportunity to attend the public hearing and make oral comments about the proposal for the adoption of the proposed rule at 1:30 p.m., Wednesday, August 15, 2007. This public hearing will be held in the Commission's Hearing Room, Second Floor, Chandler Plaza, 1300 S. Evergreen Park Drive, S.W., Olympia, Washington.
