RE: Q Link Wireless LLC Compliance Filing  
Docket UT-130702

Dear Mr. King:

Pursuant to Washington State Condition #1 of Commission Order 01 (Appendix A) in this docket, Q Link Wireless LLC (Q Link or the Company) submitted a compliance filing on January 7, 2014, for approval by the Commission. The Company's compliance filing contains a copy of its Lifeline rate plans, terms and conditions, proposed language to be used in marketing and advertising material, and its Lifeline Customer Enrollment Form. Staff has reviewed the compliance filing and discussed it with the Company's representative. Based on Staff's suggestions, the Company submitted revisions on January 28, 2014, and February 3, 2014. Staff finds that the Company's final revised compliance filing is satisfactory and meets the requirements of Condition #1 set forth in the Commission's Order 01.

Condition #9 of Commission Order 01 requires the Company to work with the Department of Social and Health Services (DSHS) to establish a procedure to verify the Company's Lifeline customers' eligibility. Q Link informed Commission Staff that it has started communicating with the Department of Social and Health Services (DSHS) to obtain access to the DSHS database to verify its Lifeline customers' eligibility. This complies with Condition #9 of Commission Order 01.

Staff, therefore, recommends that the Commission approve Q Link's compliance filing so that the Company can start offering its Wireless Lifeline service in Washington.

Sincerely,

SALLY BROWN  
Senior Assistant Attorney General
