Tariff No.	14 Original Page	No. <u>13</u>
Company Na Registered	ame/Permit Number: <u>Empire Disposal, Inc. G-75</u> rade Name:	
	Item- 20- Definitions, continued	
	<b>Micro-mini can</b> means a can made of durable, corrosion-resistant, nonabsorbent material that is watertight and has a close-fitting cover. A micro-mini can may not hold more than ten gallons. A micro-mini can may not weigh more than <u>N/A</u> pounds when filled.	
	<b>Mini-can</b> means a can made of durable, corrosion-resistant, nonabsorbent material that is watertight and has a close- fitting cover. A mini-can may not hold more than twenty gallons. A mini-can may not weigh more than <u>35</u> pounds when filled.	
	<b>Recycling bin or container</b> means a bin or container designed or designated for the collection or recyclables. The size and type or recycling bin or container will be established in each company's tariff.	
	<b>Toter</b> means a wheeled plastic container. A toter may also be referred to as a cart. If supplied by customer, a toter must be compatible with the company's equipment. The size and type or toter that is compatible will be established in each company's tariff.	
	Unit means a receptacle made of durable, corrosion-resistant, nonabsorbent material, that is watertight, and has a close-fitting cover and two handles. A unit holds more than twenty gallons, but not more than thirty-two gallons or four cubic feet. A unit may not weigh more than <u>65</u> pounds when filled. Where agreed on between the company and the customer, and where allowable under local ordinance, a box, carton, cardboard barrel or other suitable container may be substituted for a solid waste can, for a single pick-up that includes removal or the	
	container, if it meets the size and weight limits established in the company's tariff. <b>Yardwaste bin or container</b> means a bin or container specifically designed or designated for the collection of yardwaste. Each company's tariff will refer to a specific type or yardwaste bin or container to be used by customers in a service area. The type, size, weight, etc., of this type of bin or container will often be set by local government plans or ordinances.	
	<b>Special pick-up:</b> A pick-up requested by the customer at a time other than the regularly so pick-up time, that requires the special dispatch of a truck. If a special dispatch is required, company will assess time rates established in the company's tariff.

Item 200Containers and/or Drop Boxes-General Rules				
listed in this tariff. If a customer requests a c	pply of all sizes of containers and drop boxes for which rates are ontainer or drop box of a size listed in the company's tariff, and the size within 7 days of the customer request, the customer must be			
or drop box (and that size is listed in the com	<b>Res.</b> If the company cannot provide the requested-sized container pany's tariff), the company must provide alternate-sized containers originally requested by the customer, at the same-rates as would rop box.			
	<b>boxes.</b> If the company provides alternate-sized drop boxes, the ble disposal fees resulting from the use of the alternate drop boxes.			
Rates on partially-filled containers and/or amount of waste material in the container or o	drop boxes. Full pickup and rental rates apply regardless of the Irop box at pickup time.			
Rates for compacted materials. Rates for compacted before it is picked up by the comp	compacted material apply only when the material has been any.			
<b>Rates for loose material.</b> Loose material dumped into the company's packer truck is subject to the rates for non-compacted material even though the material may be compacted later in the packer truck.				
Permanent and temporary service. The fol	lowing rules apply:			
<ul> <li>a) If a customer requests a container or drop box for less than 90 days, the customer will be billed at temporary service rates.</li> <li>b) If a temporary service customer notifies the company that it has decided to retain the container or drop box for more than 90 days, permanent service rates will be assessed for the 91st day until the end of the period the customer retains the container or drop box.</li> <li>c) If a customer requests a container or drop box for more than 90 days, the customer will be billed under permanent rates. If that customer cancels service before the end of the 90-day period, the company may not re-bill the customer at temporary service rates. The intent of the customer at the time service was requested applies.</li> </ul>
