RE: Extension of Effective Date – TG-210038

Dear Mr. Johnson:

Mason County Garbage, Inc. is requesting a 30-day extension in TG-210038, which if approved by the Commission, will extend the effective date of the tariff to April 1, 2021. We request this extension in order to allow the Company and Staff additional time to work through several issues that have surfaced in this docket, including recovery of amortization of salvage value of certain trucks, recovery of COVID-19 expenses, and implementation of the updated LG model, as referenced in the TG-131255 Policy Statement.

We appreciate the Commission's consideration in this matter.

If you have any questions regarding this matter, please contact me at (360) 695-4923, or Heather.Garland@WasteConnections.com.

Sincerely,

Heather Garland
