**Re: Application to Amend Certificate of Public Convenience and Necessity
 UG-210784-3rd Supplemental**

Dear Ms. Maxwell:

After consultation with Washington Utilities and Transportation Commission (“WUTC”) Staff, Cascade Natural Gas Corporation (“Cascade”) submits the following attached **replacement** Appendix A-4 legal description to UG-210784, Application to Amend Certificate of Public Convenience and Necessity. This **replacement** Appendix A-4 legal description corrects an error made in the 2nd supplemental Appendix A-4 legal description previously filed on December 10, 2021. The previously submitted map A-4 filed on December 10, 2021 was correct in its entirety.

If you have questions on this information, please contact me at (208) 377-6015.

Sincerely,

/s/ Lori Blattner
