Re: Letter of Employment

To whom it may concern,

Elena Argunov is a Senior Financial Analyst on the Providence Central Shared Services Finance team. She has been employed at Providence since 2016 and on our team since 2021. Elena is a valued member of our team and is responsible for designing, creating, and developing our financial reporting hierarchy, database, reporting, and automation of related processes across over \$4B in EBIDA and more than 1,500 cost centers.

Elena is experienced at analyzing trends, identifying anomalies and outliers, and driving action to address issues across our area of accountability.

Should you have any questions regarding her employment or abilities as a professional in our organization, please reach out to me directly.

Sincerely,

Amilia Orler
