**NOTICE OF PREHEARING CONFERENCE
(April 21, 2000)**

NOTICE OF MODIFIED PROCEDURAL REQUIREMENTS

Re: Washington Utilities and Transportation Commission v.
PacifiCorp d/b/a Pacific Power & Light,
Docket No. UE-991832

TO ALL PARTIES OF RECORD:

NOTICE IS HEREBY GIVEN THAT a prehearing conference in this matter will be held on Friday, April 21, 2000, beginning at 1:30 p.m., in the Commission's Hearing Room 206, Chandler Plaza Building, 1300 S. Evergreen Park Drive SW, Olympia, Washington.

The purposes of this prehearing conference are to facilitate the exchange of cross-examination exhibits, to mark all exhibits with numbers to be used at hearing, to prepare a comprehensive exhibit list, to establish the order in which all witnesses will appear, and to obtain estimated times for cross-examination. By accomplishing these tasks at the prehearing conference, the need for parties to meet certain requirements imposed by the First Supplemental Order: Prehearing Conference Order is avoided. Other procedural business also may be conducted at the prehearing conference.

NOTICE IS HEREBY GIVEN THAT parties are relieved of the requirements to exchange witness and exhibit lists, and proposed cross-examination exhibits four (4) business days before the first day of hearing. Instead of doing that, the parties may present these materials at the prehearing conference on April 21, 2000, one business day before the hearing commences.

Parties are reminded that the Bench requires five copies of all proposed cross-examination exhibits. Copies also must be furnished to all parties. Parties will be required to mark their own exhibit copies at the prehearing conference as the Bench designates numbers.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge
