

1 074 Please refer to the Company's Response to DR 052. Regarding the Company's
2 "revision of its policy" concerning facility sales, please: a) indicate the date Pacific
3 Power revised its policy; b) provide a narrative response explaining the Company's
4 policy and/or position as to why it was "ultimately concluded that the totality of the
5 safety and operational reasons for removal necessitates further revision of its policy";
6 and c) provide a narrative response explaining the Company's understanding as to its
7 continuing liability, if any, for facilities sold or otherwise transferred to permanently
8 disconnected customers, prior to the policy revision.

10 **RESPONSE:**

11 Rather than "revision of its policy" it would be more precise to state that Pacific
12 Power implemented a policy prohibiting offering a customer requesting permanent
13 disconnection, such as Complainant, the option of purchasing facilities.

14 (a) On or about March 9, 2015

15 (b) Objection – this subpart makes no sense, as the quoted statement is self-evident.

16 (c) Please see the response to DR 008, which is incorporated herein.
