STATE: Washington
DOCKET NO: Docket No. UT-003022 and UT-003040
CASE DESCRIPTION: In the Matter of the Investigation into U S WEST's
Compliance with Section 271
INTERVENOR: Washington Bench
REQUEST NO: BCH INF-05-047

REQUEST:

Referencing SGAT section 9.1.2.1.5, please describe/clarify Qwest's retail build policy. Where does the policy reside? How would a CLEC obtain a copy? Is there more than one policy? How often does it change?

RESPONSE:

Qwest's retail build policy is part of Qwest's overall obligation to build policy. The general policy statement is maintained by the Policy & Law division of Qwest. A copy is attached. More detailed application of the policy is found in Qwest's FCC Tariff #2, Section 2.6.2 and, for Washington, in the Private Line Transport Services Tariff, Section 4, and in the Exchange and Network Services Tariff, Section 4. A CLEC can access the FCC Tariffs or Washington-specific tariffs via the web at <http://tariffs.uswest.com:8000/>. The policy rarely changes. Any changes are usually associated with regulatory mandates.
