**TOSCO CORPORATION’S COMMENTS IN SUPPORT OF TESORO
REFINING AND MARKETING COMPANY’S COMMENTS REGARDING THE
SEVENTH SUPPLEMENTAL ORDER: AMENDING PROTECTIVE ORDER**

Pursuant to Administrative Law Judge Wallis’s request, Tosco Corporation hereby submits these comments in support of Tesoro Refining and Marketing Company’s (“Tesoro’s”) comments regarding the Seventh Supplemental Order: Amending Protective Order. Tosco agrees that the proposed supplement to the protective order is far broader than necessary to address Olympic’s concerns. Tosco agrees with Tesoro’s proposal to modify the current protective order to simply not allow the review of highly confidential documents by in house counsel. In all other respects, the highly confidential information should be treated the same as confidential information under the existing protective order.

Tosco requests leave to file these comments this afternoon. Counsel for Tosco had multiple scheduling conflicts for the past day that made it impossible to meet the

noon filing deadline. Filing by close of business today will not unreasonable delay prompt ruling on this matter.

Dated: March 12, 2002
