REQUESTED BY: Hanna Navarro

Re: Capital Planning

On page 52 of Company Witness Koch's testimony, it notes that "Currently circuits within Named Communities are estimated to be about 400." How many total circuits are in PSE's service territory?

Response:

Please see Appendix A to the Fourth Exhibit of the Prefiled Direct Testimony of Catherine A. Koch, Exh CAK-5, which is an MS Excel spreadsheet of all the circuits (approximately 1,200 circuits) associated with all substation banks.
