Dear Cody:

Following up on our telephone conversation this morning, Mr. Sells asked me to notify your office of an error in this transcript. The phrase "float control" should actually be "flow control." In looking at the word index, that phrase appears on page 212, lines 19 and 22. I have not read the entire transcript, so it's possible it appears on other pages.

It's my understanding your office will do a correction page. Please let me know if you have any questions. Thanks.

Very truly yours,

RYAN SELLS UPTEGRAFT, INC. P.S.
