Re: **Household Goods Rulemaking: Docket No. TV-971477**

Dear Mr. McLellan:

My client, Public Storage Pickup & Delivery, Inc. (PSPUD), hereby requests that the Commission accord it stakeholder status in the above rulemaking proceeding. PSPUD and its affiliates provide a unique type of self-storage service in which PSPUD offers incidental pickup and delivery service of storage containers to customers in 14 states. Based upon a threshold WUTC staff opinion (set forth in a letter dated September 18, 1995 to Mr. David W. Wiley) provided to PSPUD earlier this year, PSPUD is preparing to offer its service to customers in Washington State within the next few months. Accordingly, PSPUD is interested in various aspects of this rulemaking and its affect on the informal staff opinion.

Please send all notices, pleadings and other correspondence to me at the above address. Thank you for your consideration.

Very truly yours,

Todd G. Glass
